

Let's Draw a Kangaroo!

Fun Fact: The red kangaroo can travel 25 feet in one leap!

<p>1</p>  <p>Lightly draw four circles. They will form the shape of the head and body.</p>	<p>2</p>  <p>Connect the circles with four curved lines.</p>	<p>3</p>  <p>Add two ovals for paws, and two hot-dog shapes for feet.</p>
<p>4</p>  <p>Add curvy lines to form the arms and legs.</p>	<p>5</p>  <p>Add pointy ears and a long swooping tail.</p>	<p>Color it in if you'd like!</p> 
<p>6</p>  <p>Add an eye and nose.</p>	<p>7</p>  <p>Trace over your light lines. Try adding zigzag lines for a furry look.</p>
