

When Irish Eyes are Smiling

Irish songs gained popularity during the early 1900s. Songwriters Chancey Olcott, George Graff, and Ernest Ball wrote “When Irish Eyes are Smiling” for an American play called *The Isle O’ Dreams* in 1912. The song was made famous by Irish singer John McCormack. Use the word bank to fill in the missing words and complete the chorus to this famous Irish song.

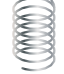

When Irish  are  sure it’s like a morn in 

In the lilt of Irish laughter you can hear the angels 

when Irish  are  all the  seems bright and gay

but when Irish  are  sure they’ll steal your  away!
