

Kenyan Tribe Word Search

Kenya is a diverse country. It has high mountains, low savannas, crowded cities, and large expanses of nature where only animals tread. There are more than 40 different tribes in Kenya. The word “tribe” in this context means “language group.” To make it easier for so many groups to communicate, Kenya has decided the official languages are Swahili and English. Find and circle 12 of the Kenyan tribes (language groups) hidden in the word search below. The words can be up or down, left or right, diagonal, or backwards.
