

AIR TRAVEL

All players should plan on arriving the day prior or early morning of scheduled events unless otherwise notified. Recommended carriers include Southwest Airlines as you will not incur a change fee to change your flight reservations, just pay the difference in the fare. As the spring/summer schedule gets closer please check the web site for updated information. Please note all teams will be playing out all games and should plan travel accordingly.

HOTEL ACCOMMODATIONS

If you choose to secure a room not in a team hotel, you may be subject to a fee imposed by the tournament.

COACHES

The Platinum, Gold and Select Gauntlet teams will be coached by Scott Hazelton, Wayne Williams, Joe Marshall and Ushearnda Reynolds.

PRACTICE

Practice is mandatory. Players are required to get in the gym for a workout in RI, MA or NH at least once a week. Team practices will be held on Saturdays and Sundays when there is not a scheduled tournament. Attendance is important as plays will be reviewed and put in place to prepare for the Gauntlet.
