

MASS ELITE SPRING 2020 SEASON UPDATE

March 16, 2020

Due to the evolving nature of COVID-19 (Coronavirus) and its public health threat we are actively working to postpone our current practice, tournament and league schedule.

We will continue to evaluate the conditions and make the necessary decisions with best time to reschedule the affected events. The health of our athletes, coaches and staff is of paramount concern during this process.

This is unfamiliar to all involved, and we do not want to make any declarations until we have as much clarity and information as possible. Even then, we ask you to be patient and understanding the likelihood those decisions will adjust due to the nature of the COVID-19 outbreak.

We are working with tournament operators, governing bodies and health officials to communicate our plans as timely as possible. Thank you for your patience during this time.
