Queste sono le compositioni che V. Sig.a per suo gusto, et per obligar
la nostra Accademia in diuerse occasioni ha composte le quali perche
da me particolarmente furon raccolte, come quelle che particolarmente
stimo tutte le cose sue; essendo à me tutto giorno da diuersi amici richiesto
e per fare che nell'Accademia con maggior commodità si conoscino
ho risoluto in questa guisa ridurle, che a lei dedicate hor le presento,
assicurato che la modestia dell'animo suo douerà compiacersene per la
stretta familiarità che è tra noi, auuertisca che non per tutti ma per la sola
nostra Accademia siano composte poi che le cose et i pareri suoi quanto
sono piu da se stessi tanto piu sono di marauiglia. Riceuale dunque di
buona uoglia, e di me che infinito bene li desidero iscusi la souerchia con-
fidanza con che fine bacio le mani di V. Sig.a Di Roma li 24 di
