Highlights of activities at our DTLA Spring Term 2022

Lunch at Masa of Echo Park

Downtown LSI students joined Teacher Caroline for a wonderful lunch at Masa of Echo Park. They tried some delicious Chicago-style deep dish pizzas. The manager and server there were friendly and super attentive. They made sure all the orders came quickly and hot! Lots of interesting conversations throughout lunch as well. Afterward, they strolled around Echo Park lake and took some beautiful photos for keepsakes.

Cooking Demo in UPP Class

This week our DTLA student, Karelia, did a show-and-tell presentation on the proper way of making Arroz con Leche. Karelia had been a culinary student in her country and wanted to share some of what she had learned during University Prep Program presentation week!

Nail Art Club

ESL Level 6 student, SHINYOUNG, decided to start her very own Student Nail Art Club where students will be working and learning the basics of the art of Manicures, Pedicures, and Nail Art every other Tuesday at DTLA! Shinyoung is practicing to become a Nail Artist!
