COACHES' QUOTES LSU at Kentucky

JERRY STOVALL, LSU

I saw zero, zero ~~on the scoreboard~~ time and 17-10 on the scoreboard. That's when I first felt secure.

It was a typical Kentucky team. Very aggressive.

The biggest thing about our winning drive was just the fact we executed well. We were very uncoordinated on offense except for the two touchdown drives. We tried to do throughout the game just what we did on the two drives. We showed great determination on the first drive. The last time, we just had to score to win.

Greg Long ran well for us but he had a hand injury that puffed up and we weren't able to use him in the second half.

I was not surprised that Kentucky kicked the point to make it 10-10, as there were seven minutes left.

Both teams had good scoring opportunities and both had opportunities ~~xxxxxx~~ taken away by penalties. Both teams should have scored more points.

At this stage of the season we have this team motto: Expect to win.

FRAN CURCI, KENTUCKY

It was a rough game. LSU's defense is very good. They've been good all year. We tried everything but nothing worked. We played exceptionally good but we couldn't score.

We had planned to use (Terry) Henry because we wanted to establish a running game. But Terry got hurt and had ice on his leg the whole half.

The defense played very well. The offense took some of the pressure off but the offense was unable to score.

I thought we played an exceptional game knowing what our situation is. LSU has momentum.

(On the extra point to tie the game at 10-10) The pressure was on them. We wanted to hold them and get the ball ~~xx~~ with the wind at our back. They needed a big play and they got it. Whoever had the coverage underneath missed his assignment. (The ~~xxxxxxxx~~ try for extra point by kick) was absolutely the right play.

We didn't make too many adjustments (to their offense). I thought they'd go with the I because of their situation.

Jenkins is a freshman. He's going to hook spectacular on one play and not on the next. People want us to win and they don't care what we do. ~~W~~ A good football team beat us tonight.

I'm going to fight through this thing and I'm not giving up.

LSU is playing hard, they're making things happen. They have the best secondary in the conference. They know what they're doing. I think they have a better ~~game~~ football team than we do.

We're going with a freshman QB. We're going with a freshman wide receiver. We're going with people who haven't played in a couple of weeks. I think they're (UK) playing tremendously.
