LSU DRESSING ROOM QUOTES:

Coach Charles McClendon: "Our kids were really ready to play...particularly the defense. They came in there with big plays when it counted and kept Rice from scoring.

"Our defense had a lot of respect for Rice. Anyone that can put points on the board the way they did in their first game will fire up our defense.

"We improved in some ^{areas} ~~from~~ from the first game, but defense made the most progress.

"There were some inconsistencies that disturbed me. The timing between our quarterback and center was off. I hope that we will concentrate on our own snap signals rather than get distracted by what the defense is doing.

"I'm proud of our team. They hustle, they pull for one another. I don't know if we're a good team or not.

"But our kids want to have a good football team. They are willing to pay the price.

"It is hard to talk about individuals at a time like this. Everyone had something to say about tonight's result. We've got some great leadership on this ball club...and the defense stands tall.

"We don't know the status of (tailback Arthur) Castrelle right now. He has a shoulder injury, but we won't know ~~how much~~ the extent of the injury until Sunday or Monday."
