BILLY BREWER QUOTES

LSU is a great football team that deserves the #5 ranking in the nation. We fought our hearts out and played as hard as we could. (On Mark Young & John Darnell)...We rotated Mark and John and both played on well. We decided on each series who we should play. If one was doing well, we left him in. I was not afraid to play either. Turnovers in the second half just opened the flood gates and we just could not stay with them.

PLAYER QUOTES

STEVEN MOORE:

We tried real hard. A couple of plays really hurt us and put us out of the ballgame.

TODD SANDRONI:

You have got to give the credit to LSU. They are a great football team. We played a good first half. We took a lot of chances on defense and got beat, but the coaches thought we couldn't play them straight up. It felt good to make the interception in the first half and I thought that it would be a turning point in the game, but a couple of mistakes in the second half put us out of the game.

MARK YOUNG:

(Referring to 3rd quarter turnover) Football is played on a lot of emotion and who has got the momentum. We were moving the ball down and had been doing it all night. They made a big play on defense and got the turnover which seemed to get the momentum changed. I don't think we ever quit. I think we gave it everything we had to get the momentum back, but it never came back.

Everybody who saw the game knows that Ole Miss came to play and we played LSU very good, but we made mistakes offensively and didn't capitalize when we were down on their goal line.

JOHN DARNELL:

I think we had our chances to beat them and we should have beat them. Turnovers and penalties got us again. It has happened all year. We got down there twice in the first half and had we gotten the touchdowns it would have been 14-14 at the half. We made mistakes and they capitalized on them. They are a good football team. There's no question about it, but we are too.

~~SECRET~~

HEAD COACH MIKE ARCHER --- "I am very happy with the performance of our players. We can't always wait until the second half to play to our capabilities. We're proud of our kids effort. We played very hard. In the second half, we were able to take over. We were able to run the ball with great effectiveness. We made some big plays with Wendell and Roger catching the ball and Harvey running the ball and Tommy and Mickey throwing the ball. We were concerned with a week off that we would loose our edge. Tommy played very well in the first half at times and the penalties hurt us again. Very happy with the win and step number four (in the conference) and step number eight in our season goal.

PLAYER QUOTES

HARVEY WILLIAMS --- "I felt good. I am real happy with the win. We got the bragging rights this year. We tried to make up for what happened last year. I'm real thrilled with the win. Everyone contributed tonight.

CHRIS CARRIER -- "We played good solid defense. We came out in the second half and made a few adjustments. (about goal line stand in game) "That's something we strive for."

SCORING SUMMARY

List all scoring plays in sequence. "Time left" means time remaining in the quarter at the conclusion of the scoring play. Under "play," to save you time, please use only: Rush, Pass, INT, PR, KOR, FUM, FG, or SAF (instead of writing out interception, punt, kickoff and fumble returns, field goal or safety).

On pass play, list passer first, then receiver and combined yardage of pass and

run. All plays are measured from the line of scrimmage except for attempts—from the point of kick to the goal posts (goal line plus 10 yards).

After each touchdown, please continue on the same line and under "FOR POINTS ONLY" check (✓) type of PAT (kick, pass or run) and whether good or no good (NG).

IMPORTANT: Most player categories are ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season both SIDs). Then list below the last name of players who have season figures but did NOT play in this game. All players with previous statistics will be charged with a game unless you indicate of PLAY IN THIS GAME. A game played is one play—whether or not the player touches the ball. (For guidelines on a game played, refer to Official Football Statisticians' Manual.) If a player with missed games, fill in below—after getting from the SID how many games missed.
