

Dear Visiting Coach,

Thank you for your interest in participating in the 2019 LSU Alumni Gold. At Louisiana State University, we take great pride in putting on a well run meet for the athletes, spectators, and coaches.

We are committed to running this meet in a one day format, with the B sections in the morning and the invitational A sections in the afternoon. Due to the popularity of this meet as well as this time constraint, we must limit the number of competitors in each event. The maximum field sizes for each event are listed in the meet information.

Automatic entry standards are also listed in the meet information. Please be mindful of these standards when entering your athletes. Athletes who do not meet the performance standards will be accepted at the discretion of meet management. Please know that it is not the responsibility of meet management to make sure your team meets the minimum number of participants required by the NCAA.

We want the afternoon section of the LSU Alumni Gold to be one of the best track and field meets in the entire country. We hope that you will support our mission to produce this meet in a format that will increase interest in the sport of track and field in the United States.

Sincerely,

A handwritten signature in black ink, appearing to read "Dennis Shaver".
