COACHES' QUOTES

GEORGIA COACH VINCE DOOLEY

"First of all, I'm very proud of the way we fought back and got ourselves in a position to win the game. However, to LSU's credit, they came back after we had gone ahead and made some big plays to score and take the lead. Then we came back with an opportunity to win until right at the end. LSU is a very resourceful team with a lot of weapons. And they used them all and used them well today.

"It's a difficult loss after being in a position to win the game. Obviously we are down and disappointed, but I feel like we will come back and play well.

"One loss in the conference minimizes our chances to win a championship, but we definitely are not out of it. LSU won the championship last year with a loss so it is certainly not over yet. We are still alive and we will go forth with that attitude."

"I felt like the difference in the two halves was big plays. In the second half we had the long catch by Thomas (for the first touchdown), then Osborn got loose by breaking a tackle and scored on the long run. We also had a big play on defense with Vince Guthrie's interception. It was a great game for everybody involved, but unfortunately someone had to lose, and this time it was us."

LSU COACH MIKE ARCHER

"I feel like I'm 34 years old going on 60. I was really feeling my age that last drive. We let them back into the game with the big plays, but our kids showed a lot of heart and desire. I can't say enough about our players and coaching staff and how we hung together today.

"A lot of people doubted if we could come back, but we kept our poise, and it feels good to see our kids react like that.

"We played well defensively all year and hadn't given up too many big plays. But the big plays are going to happen.

(About Sam Martin) "He is a big play guy. We had two great tailbacks in Sammy and Harvey Williams, and Eddie Fuller did a great job today in the second half setting up our passing to Sammy.

(How does Georgia compare to Ohio State and Florida) "They are definitely in the same class. They are a good football team, they play hard, and they are very physical.

(Fourth quarter late hit on Hodson) "I lost my cool and Smith lost his. It was uncalled for by both of us. I apologize because that is uncalled for by me. I was wrong.

"Our kids showed great character to come back when you are playing in front of 82,000 fans against such a fine team.

(About Kevin Guidry's late game interception) "I didn't see it; somebody jumped on top of me. Then somebody said in my headset, 'We got it!'"
