LSU cadets at football practice in the fall of 1894.

As part of the commemoration of the first 100 years of LSU football in 1993, two teams were selected to represent the greatest players in the history of the Tiger gridiron.

The Early Years Team of the Century represents the best players from 1893, the first year of LSU football, until 1936, generally considered the advent of modern day college football. The Early Years Team of the Century was selected by an 11-man panel of former and current sports journalists and others close to the LSU football program.

The Modern Day Team of the Century

was selected through a state wide balloting of fans. The ballots were distributed by direct mail and through newspapers across the state.

Any LSU player from 1937 to 1992 who earned All-America, first or second team All-SEC, LSU Sports Hall of Fame or Louisiana Sports Hall of Fame honors was named to the ballot. A total of 163 players were listed on the ballot.

The Modern Day Team is comprised of 12 offensive players, 12 defensive players, a kicker and a punter for a total of 26 Team

members. The squad was originally slated to include 24 players, but ties were declared in the running back and linebacker categories.
