Already a Louisiana Legend and one of the greatest college baseball coaches of all time, J. Stanley "Skip" Bertman has made the seamless transition into the athletics director's chair with the same enthusiasm, vision and demand for excellence that were trademarks of his stellar coaching career.

In just four years as LSU's director of athletics, Bertman has already added to his impressive list of on-the-field achievements. Under his direction, LSU enjoyed arguably the greatest athletics years in the history of the institution. In 2003-04 three teams won national championships, nine teams finished in the nation's top ten, and fourteen teams ranked in the top 25 and in 2004-05 14 teams advanced to the post-season. LSU teams also enjoyed improved grade point averages across the board, making the LSU student-athlete experience a success on and off the fields of competition.

While supervising the Tigers' progress on the playing fields, he has begun to implement measures necessary to realize his vision of building the LSU athletics department into the best in the country. Bertman's bold and innovative plans promise to keep the Tigers among the nation's elite in all phases of collegiate athletics.

Bertman is now in the midst of upgrading LSU's athletics complex. Working hand in hand with the Tiger Athletic Foundation, Bertman has already overseen the completion of the Cox Communications Academic Center for Student-Athletes while renovating Tiger Stadium and the Pete Maravich Assembly Center, and constructing the Football Operations Center.

It was also Bertman who took the bold but essential move to implement a seat contribution program in Tiger Stadium to fund facility improvements and ensure the financial stability of the LSU Athletics Department for the next decade.

Bertman was named LSU's athletics director on January 19, 2001. With Bertman, LSU gained an athletics director who provides the leadership and experience necessary to manage the Tigers' \$52 million budget.

Bertman guided LSU to five NCAA baseball titles, and his teams drew huge crowds to venerable Alex Box Stadium, as the Tigers led the nation in attendance in each of his final six seasons (1996-2001).

He also served as head coach of the 1996 U.S. Olympic team which captured the bronze medal in Atlanta.

Bertman continues to be honored for his remarkable coaching tenure, as he was inducted in June, 2002, into the Louisiana Sports Hall of Fame. He was inducted into the American Baseball Coaches Association Hall of Fame in January, 2003.

In a Baseball America poll published in 1999, Bertman was voted the second greatest college baseball coach of the 20th century, trailing only Rod Dedeaux of Southern California. Bertman and Dedeaux are the only coaches to win five CWS titles.

He had previously earned recognition as one of the nation's brightest assistant coaches while at the University of Miami (Fla.) for eight seasons (1976-83). Before working at Miami, Bertman was renowned for his coaching excellence. In 11 seasons at Miami Beach High School, he directed the Hi-Tides to a state championship and two runners-up finishes and he was named Florida's Coach of the Year on three occasions.

In 1975, Bertman coached at Miami-Dade Downtown, leaving after one season to join legendary head coach Ron Fraser at Miami. The move was a homecoming of sorts, as Bertman spent his collegiate playing days with the Hurricanes as an outfielder and catcher from 1958-60. He earned his B.A. in health and physical education from Miami in 1961 and received his master's degree from UM in 1964.

Bertman and his wife Sandy are the parents of four daughters -Jan, Jodi, Lisa and Lori. The Bertman's have three grandchildren - Sophie Faith and Isaac Stanley, the children of Emile and Lori Bertman Guirard, and Samuel Aaron, the son of Drew and Lisa Pate.

CREENTIALS

Credentials for LSU home games are issued for **working media only**. Because of severe space limitations and demand the deadline for all season credential requests is Aug. 14. Individual game credentials must be requested two weeks prior to the date of the game.

- All members of the media must request credentials online at www.LSUports.net/media.
- Please keep in mind that credentials authorize an accredited organization for news coverage of the game. ANY unauthorized use of credentials subjects the bearer to ejection from the stadium and the accredited organization to revocation of its credentials for future LSU athletic events.

Press box seating and field access will be determined using the following criteria:

1. Sports editors of daily newspapers and sports director of television and radio stations.
2. Daily radio and television shows.
3. Weekly radio and television shows providing sound and/or video highlights.
4. Weekly magazines specifically dedicated to LSU Athletics.
5. Other weekly and monthly publications (monthly publications may be limited to one (1) photographer shooting non-conference games at the discretion of the LSU SID).
6. Websites (please see restrictions below).

The official website of LSU athletics and the official website of the visiting school will be credentialed. Also, the official online service of the national over-the-air or cable television network that owns broadcast rights to the game will receive credentials. Other websites will not be credentialed unless they meet specifications outlined below:

1. Must be a legal corporate entity that has been in business at least one full calendar year and has provided coverage of LSU or the visiting team for at least one year.
2. Must provide daily coverage of ALL athletic teams of LSU or the visiting team with its own staff of reporters, photographers and equipment.
3. Must travel to and cover all football away games and all major post-season events.
4. Must provide coverage of all press conferences of ALL athletic teams at LSU or the visiting team.
5. Must be accredited by home university as working media.

Note: Websites that sponsor message boards, message centers or chat rooms where people are allowed to post anonymous information will not be issued credentials. If a medium has an online site and they sponsor these anonymous forums, they may continue to request credentials under its traditional medium (newspaper, magazine, radio, television), but will not be granted additional passes for online staff.

Requests from individuals not employed by an accredited media outlet will not be considered

Requests from radio stations must come from the sports director of that radio station and may be filled with a ticket in the stands of Tiger Stadium due to space restrictions in the LSU press box

PRESS BOX PROCEDURES

Spouses, dates, non-workers and anyone under 18 years of age are not permitted in the working press area.

Media Gameday Rules for Tiger Stadium

Entrance

The press area in the LSU press box is located on the third level on the west side of Tiger Stadium.

The entrance to the Tiger Stadium Press Box is through the press elevator, located near Gate 4 on the Southwest side of Tiger Stadium. The elevator will be in operation three hours prior to kickoff. Media Will Call is located at the south corner of the west side stands closest to the Athletics Administration Building.

Radio/Television/Coaches

Located on the main press level, there is a primary live television broadcast booth and a booth available for tape-delay telecasts. This level also accommodates booths for both home and visiting radio crews and LSU and visiting coaches' booths. Only those with appropriate passes will be admitted to these booths.

Photo Deck

This level offers space for network TV cameras and coaches' film crews. Due to lack of space on the photo deck, no video cameras will be allowed on the photo deck other than the originating network cameras, home and visitor coaches' video and scoreboard video cameras.

Working Press Area

This area is for media on deadline work requirements and will have a special pass to access the area.

Sidelines

LSU follows NCAA and SEC rules regarding media representatives on the sidelines.

- Photographers are not permitted to shoot between the 25-yard lines and must wear armbands at all times.
- Armbands must be worn on the arm -- not on the leg or camera.
- No credentials will be issued to freelance photographers, cutline writers, equipment carriers or radio station representatives, except for the two teams' broadcast originating networks.
- Armbands will not be mailed or otherwise issued prior to gameday. Armbands must be picked up at the press elevator no earlier than two hours before kickoff.

- Only one armband will be issued per person at the press gate and identification will be requested.

- Due to space restrictions, those media wearing armbands will not have access to the press box at any time without other proper credential. A box lunch will be served at ground level for photographers.

- No one under 18 years of age will be issued an armband for sideline access without prior approval of the SID.

- Photographers or videographers are considered working members of the media and they are to refrain from cheering or talking to players, coaches or officials.

- Photographers should contact Steve Franz, LSU Coordinator of Photography, for further information at (225) 578-4193.

- Photographers may send photos from the LSU Photo Room located in the Southwest Corner of Tiger Stadium.

- Contact Steve Franz to reserve space.

Press Box Services

Complete individual and team statistics, running play-by-play, postgame coaches' quotes and game facts will be distributed to members of the working media.

- Press kits are provided 30 minutes prior to kickoff, or earlier upon request. Press kits include program, flip card, updated statistics for each team, conference statistics and gameday notes.

- A pregame meal will be served beginning 90 minutes before kickoff. Soft drinks will be available throughout the game.

Parking

Media parking is located in lots nearby Tiger Stadium. Because of limited space, requests for parking should be made with credential requests. It should not be assumed that parking passes will be provided with all media credentials.

Phones

There are a limited number of telephones available in the press box, therefore writers on a deadline are encouraged to order phone line from BellSouth in Baton Rouge (1-800-238-

5501). Several credit card phones are available on a first-come, first-served basis in the visiting media area of the press box. When ordering phone lines for the press box in Tiger Stadium, the physical address for Tiger Stadium is 3800 Highland Road, Baton Rouge, LA 70803.

Wireless and Ethernet Internet Connections

Wireless internet is available in the Tiger Stadium press box. In addition, a limited number of Ethernet lines are also available.

Pro Scouts

Due to severe space limitations, scouts of professional football teams are not issued press credentials. Tickets will be made available to pro scouts at regular price. Requests for tickets should be requested two weeks prior to the date of the game to guarantee availability and should be requested through LSU Sports Information Administrative Secretary Pat Fredericks at (225) 578-8226.

Satellite Trucks

Any outlet using a satellite truck must request satellite truck access and must have a truck in place at least five hours prior to kickoff (example: 2 p.m. for a 7 p.m. kickoff). The area satellite trucks will park in is near the network TV trucks in the construction area. Any satellite truck arriving less than five hours prior to kickoff may be denied access to the stadium. Requests for parking area for satellite trucks must be made by noon Wednesday prior to Saturday games and must be confirmed through Director of Television Kevin Wagner. No other vehicles will be allowed to park with the satellite truck and all credentials for personnel must be included in the online request.

**Maj. Gen. R. G. Richard,
USMC (Ret.)**
Chief Executive Officer

The Tiger Athletic Foundation (TAF) is a private, nonprofit foundation dedicated to supporting LSU and its Athletic Program. The Foundation is administered by its own board of directors, comprised of TAF donors, which meets quarterly. Officers of the corporation are elected bi-annually.

Louisiana State University has a proud athletic tradition, highlighted by scores of Southeastern Conference and NCAA championships in more than 20 men's and women's varsity sports. Thanks to generous private-sector contributions, the Tiger Athletic Foundation continues to play an integral role in sustaining that outstanding tradition. As the central fund-raising organization in support of LSU athletics, TAF's mission is clear - to lead the university in building a comprehensively superior athletic program.

Unrestricted contributions to the Tiger Athletic Foundation benefit every athlete and team at LSU through scholarship and academic awards, as well as through the construction and maintenance of athletic facilities. These projects, large and small, chart the unmistakable course to excellence. And it is the shared vision of alumni and friends of LSU that are making them a reality.

The eastside expansion not only created 70 Tiger Den suites to the stadium, it has provided over 300,000 more fans the opportunity to see LSU football since the expansion was opened in 2000.

Coz Communications Academic Center for Student-Athletes - \$12 Million

The TAF provided LSU with unquestionably the most advanced academic facility in America for its student-athletes. By renovating LSU's old Gym Armory, the TAF allowed LSU to make the emphatic statement that the academic welfare of its student-athletes is its foremost priority. Opened in 2002.

Scoreboards in Tiger Stadium, Assembly Center, Outdoor Track - \$5.2 Million

The TAF added to fan enjoyment in LSU's major athletics facilities by purchasing state-of-the-art video scoreboards in 1998.

Lawton Squad Room - \$1.2 Million

The TAF funded the construction of a squad meeting room attached to Tiger Stadium for use by LSU's athletics teams. Prior to the construction of the Lawton Squad Room, there was no one place in LSU's athletics complex where the entire football team could meet and view instructional and motivational video presentations. Opened in 1997.

Football Operations Center - \$15 Million

The TAF built a stand-alone Football Operations Center that opened in the fall of 2005. All facets of the Tiger football program are now under one roof. The building includes locker rooms, meeting rooms, coaches offices, video operations, a training room and strength facility.

Mike the Tiger's Habitat - \$3 Million

LSU's legendary live mascot is now in a new home, thanks to the TAF. This new habitat provides Mike with a 15,000-square foot environment with lush planting, a beautiful waterfall and a stream evolving from a rocky backdrop overflowing with plants and trees. LSU now enjoys one of the finest live tiger habitats in America. Opened in the fall of 2005.

Westside Renovation of Tiger Stadium - \$60 Million

The TAF renovated the westside of Tiger Stadium in order to provide 3,200 new club seats and a new press box. The new club seats provide additional revenue for the athletics program to invest in future facility projects. Opened in the fall of 2005.
