COACHES' QUOTES:

Paul Dietzel, South Carolina -- "I'm so proud of this team I don't know what to say. I have never ~~human~~ seen greater effort in my life. We have a fine football team and we laid it on the line out there tonight against a great football team. We nearly pulled it out. It was a super effort by as great a group of young men that I have ever been associated with. I'm proud to be their coach.

"I've never had a team work harder for a game. We're kind of thin and we ran out of people at several places and that hurt us, but we laid our guts on the line all night.

"L. S. U. is a very well coached football team; an excellent football team. We played our guts out. I thought Jeff was super. As a matter of fact, our whole football team played well.

"There were some very crucial calls by the officials, but they went both ways.

"L. S. U. is a very opportunistic team and when something happens, they take advantage of it. They are very deep and I couldn't say which one of them hurt us the most. They have so many good football players and I certainly wish them the best of luck from here on in.

"I have never had a football team that has worked under more difficulty than this year's team had. They have proved their character -- not only to me, but to everyone. Our season's not over yet. We have four more football games to go."

COACH McCLENDON QUOTES:

I'll tell you one thing, this is the toughest 7-0 record I've ever seen. It looks like every time we go out we have to struggle, but you've got to give these young men a lot of credit for showing character. Even when they were down and having to fight the clock and the G^{ams}cocks they never let up and just hung right in there.

Paul Dietzel deserves all the credit in the world for what he has done. The Cocks were ready for us and they gave us everything we bargained for. I believe some of his quitters had some words to say about his program, but those guys weren't out there tonight and the rest of his players, his real players, showed everybody what they are made of. Coach Dietzel and South Carolina certainly earned even more respect from us than we had before if that is possible. That Grantz is some kind of a player and so is Woolbright and Hodgins and everyone.

I thought that Mike Mileym was a superb leader out there tonight. He showed all the poise in the world, bringing us from behind time and again. That big pass to Jones when he had to scramble and when he showed the marvelous perception he has in finding Jones, even though it was a broken pattern, he found him and he let it fly and from there short of a fumble, I ~~km~~ knew we were going to get it in the end zone.

Our running backs really went in there and stuck to it. But even with their fine running they have to get back to the line of scrimmage and that means that offensive line had to explode and they certainly did it. That's the most yardage on the ground we've had this year. Brad Davis had his best game of his career picking up 156 yards. And (Steve) Rogers and (Lora) Hinton were almost as effective.
