QUOTES FROM LSU COACH JERRY STOVALL

like

"I felt like our inexperience showed. We felt going in we were playing one of the most experienced teams, and they did not disappoint us. I was satisfied in that we did not give up."

"They're one of the better teams we've seen offensively and defensively and they're one of the best teams we're going to see all season."

"Two things were important. Dubrocc sprained his ankle last week and started but was not able to play long. Liffort Hobley had a pulled hamstring and their replacements had no experience. With our inexperienced defense we can ill afford to lose two people of that caliber."

"We're a better team now after playing this one game than before. A loss hurts and makes you sick. I'm never satisfied with a loss, but I saw a lot of good things out there and was very pleased with it."

Seem like your team had two good quarters and two bad quarters?

"I don't think we had two bad quarters."

QUOTES FROM FLORIDA STATE COACH BOBBY BOWDEN

"I'm very happy with that win. That dad gum number 21 is unbelievable. I think having a game under our belt helped us out with execution."

"After we missed the missed the field goal in the first quarter I was beginning to think there were some games that just weren't meant to be won."

"To beat LSU we had to make Wickersham beat us, not their backs. Their quarterback (Wickersham) started coming around at the end of the game. I'm glad he didn't have a game under his belt when he played us."

"Kelly Lowrey played a great game for us."

"Our second touchdown meant the same thing as it did for them last year. Even though we weren't ahead, it had an effect on our confidence."
