WELCOME TO BATON ROUGE

Coach/Administrator,

Louisiana State University and LSU Softball are pleased to make available this Game Day Operations packet. The material provided is to familiarize your team with the various attributes and operational conditions associated with LSU Softball at Tiger Park. The LSU Athletics Department is committed to ensuring a high standard of athletic excellence for all home events so we hope you find the subject matter useful and informative.

Please take a few moments to review these documents and share with appropriate personnel. There are also several forms at the back we ask you to complete to assist us with meeting your team's needs.

In addition, please remember, game day adjustments may be necessary based on weather conditions, local, and/or national events. Depending on the situation, subsequent changes will be formulated in conjunction with coaching and administrative assessment.

If you have any questions or concerns regarding any of the supplied material, please feel free to contact me directly.

Sincerely,

Julie Cribbs
Director of Event Management

BAT TESTING INFORMATION

LOCATION AND TIME OF TESTING

- Bat testing for the **HOME** team shall begin 120 minutes (two hours) prior to the scheduled start time of each game of the series. The **VISITING** team will be tested immediately after the **HOME** team. In the event of a doubleheader, BCT will only be conducted prior to the first game of the doubleheader.
- **Tournament Games**—Bat testing will be done prior to your first game each day. Those playing in the first game of the day, the **HOME** team will be tested 120 minutes (two hours) and the **VISITING** team will be tested 90 minutes (one hour and 30 minutes) prior to the start time of the first game. Subsequent testing times will be decided by game management and the team representative depending on the game schedule and team arrival times.
- The home team's machine is used for testing.
- Both coaches (or appointed designee(s)) will bring all bats to the testing location, as well as their logo stickers provided by the SEC. Each team's logo stickers must be available in the testing location prior to the start of the home team's testing. LSU will provide stickers for NON-SEC games.
- Testing will occur just outside of the batting cages.
- The crew chief will be responsible for actually testing each team's bats (e.g., physically placing the bats in the machines). The home team's administrator will serve as the observer and record the results.

TESTING PROCEDURE

- Each bat will be tested until it receives two pass results or two fail results whichever comes first.
- Bats passing both tests will receive a tamper-proof sticker to be placed on the taper of the bat so that it is easily visible.
- The opponent's sticker will be placed on bats that have passed.
- The visiting team shall always travel with its own stickers to be used during the testing. The home team is not responsible for stickers of the opposing teams.
- The stickers should be removed after the series has been completed.

PROCEDURES FOR FAILED BATS

- A bat that fails the BCT testing during a series will be deemed illegal and remain in the immediate possession of the home team's event manager until the end of the series or tournament.
- If a bat fails testing, the bat is dead for all remaining games in that series or tournament and cannot be re-tested.
- The home team's sport administrator, event manager or appointed administrative designee will return a visiting team's illegal bat to the visiting team head coach at the conclusion of their last game of the tournament or series.

SEC GAMES

- The LSU Event Manager or appointed administrative designee will give a home team's illegal bat to the home team's SWA.
- For each failed bat, the home team event manager (or administrative designee) will complete the SEC Failed Bat Form and submit the form via email no later than 48 hours after completion of bat testing for the series to the SEC office, with copies of the form sent to the head coach and SWA of the affected institution.
- It is the responsibility of the head coach to give the failed bat to his/her SWA upon the team's return to campus.
- All failed bats shall not be used in any subsequent game.

TIGER PARK INFORMATION

- **Batting Cages**— Located under the Clubhouse near right field. Spikes and seeds are NOT permitted in the batting cages.
- **Concessions**—Located on the 1st and 3rd base sides of the concourse. No outside food or beverages are permitted in Tiger Park.
- **Dugouts**—The third base dugout is designated for the Visiting Team. We ask that you access the field through the outfield gate in right field near the batting cage. There are also access gates in left field and into the bleachers which will be secured by LSU Event Staff. SEEDS are NOT permitted in the dugouts or batting cages.
- **Foul Balls**—Please return all foul balls to the 1st base dugout.
- **Laundry**—Contact Quinlan Duhon at 225-326-0076 at least 3 days before your first scheduled game if you would like to request laundry service. Cost is \$50 per load. Please be prepared to include washing instructions.
- **Locker Rooms**—Locker rooms and shower facilities will be available at Tiger Park and towels will be provided **IF REQUESTED**. Please indicate on your travel information form if you need separate locker rooms for coaches, athletic trainers or other staff as well as towels or other special needs.
- **Merchandise**—The LSU SportShop will be open on the concourse behind home plate for all LSU home games.
- **Programs**—Available FREE of charge at all Tiger Park concession stands, the merchandise area and at the main entrance.
- **Restrooms**—Available at Tiger Park inside and outside the stadium and in each dugout.
- **Scouting Seats**—The visiting team radio booth will be reserved for all non-tournament games. For tournament games, the home and visiting radio booths will be available for those teams playing at that time, non-participating teams and coaches may scout from open seats in the centerfield bleachers or the on the Clubhouse Deck. There are NO reserved scouting seats for any game.

TIGER PARK INFORMATION

- **Video and Electronics Equipment**

- An institution may only videotape its own contests. Visiting teams may ONLY video their contests from the lower deck of the centerfield camera deck. This includes tournament games in which LSU is NOT playing. When the visiting team elects to video from a centerfield camera location, the visiting team shall provide a video feed from its equipment to the home team or, if providing the video feed is not possible, a DVD or external drive copy of the video captured during the contest to the home team if this video is requested by the home team.
- Cameras may not be manned during play. Teams may only access such cameras during warm-up and between innings. Under no circumstances may institutional videographers capture film for scouting purposes.
- No electronic equipment (e.g., phones, tablets, palm pilots, iPhones, iPads, etc.) is permitted inside the dugout. Exceptions shall be limited to medical personnel for medical necessity and credentialed media (e.g., television cameras). Information (e.g., tagging video, etc.) from training programs such as Right View Pro and Dartfish may only be gathered from outside the team areas. There is absolutely no evaluating of video or other technology devices during the game.
- Scouting information obtained from outside the dugout involving current opponents shall not be relayed or given to anyone on the playing field, in team areas or to team personnel during the contest.
- Teams must provide their own video equipment and extension cords.
- Please address any questions regarding videotaping to Matt Karin at mkarin@lsu.edu or 225-678-3805.

PRACTICE

If you would like to request a practice time earlier than 90 minutes before the start time of the game, please contact Beth Torina, Head Softball Coach, at btorina@lsu.edu at least 2 weeks before your scheduled game. Unless otherwise arranged, the field will be ready for warm-up 90 minutes prior to the start time. Visiting teams will be limited to two hours of practice time. The Tiger Park sound system will NOT be available for use during visiting team practices.

- **Equipment—Cage:** 4 tees with 1 bucket of balls each, 2 bays setup for front toss, 2 toss screens, 2 buckets of balls (6-8 dozen balls each) **On field:** screens as desired, hitting/pitching mats, balls (6-8 dozen)
- No cleats of any kind are to be worn in the covered cages.
- Please do not hit in the outfield grass or into the fences.

TIGER PARK SEATING CHART

WEATHER POLICES & PROCEDURES

LSU uses MxVision WeatherSentry for up to the minute weather information including tornadoes, thunderstorms, hail and lightning.

Severe Weather is Detected Within 20 Miles:

- Once lightning has entered within a 20 mile radius of Tiger Park, the game manager will notify the umpires, that LSU is tracking severe weather in the area.

Lightning is Detected Within 12 Miles:

- At the next stoppage of play the game manager will notify the umpires that lightning has struck within 12 miles and that a delay in play due to weather is possible.
- An Announcement will also be made asking patrons to seek shelter.

Lightning is Detected Within 8 Miles:

- The game manager will immediately notify the umpires that lightning has struck within 8 miles of Tiger Park and that play must be stopped.
- Fans will be asked to seek shelter in the covered seating area or concourse.

Shelter Location for Teams:

- Teams will be asked to remain in their dugouts or relocated depending on the severity of the storm.

Continuing Play:

- Play will continue once it has been confirmed that no lightning strikes have occurred within an 8 mile radius for 30 minutes. If lightning strikes within the 8 mile radius the 30 minute count down will begin again. There will be a mutually agreed upon warm-up period following the decision to allow players to prepare themselves for competition.

LSU Tiger Habitat

The environment created for Mike is 15,000 square feet in size with lush plantings, a large Live Oak tree, a beautiful waterfall and a stream evolving from a rocky backdrop overflowing with plants and trees. The habitat has, as a backdrop, an Italianate tower, a campanile, that creates a visual bridge to the Italianate architectural vernacular that is the underpinning of the image of the entire beautiful LSU campus.
