Mike Moore Performance Center

THE FIRST OF ITS KIND & A SOFTBALL PLAYER'S DREAM

"The Mike"

- The Mike Moore Performance Center, one of the top indoors facilities among college softball and the biggest indoor facility in the SEC, was added to the facility in 2020.

- The facility was named after the late Mike Moore, a longtime supporter of LSU softball. During his life, Mr. Moore was an avid and very active fan of LSU Athletics. Mr. Moore and his family were season ticket holders for multiple sports and often traveled across the country to watch the Tigers play.

- Mr. Moore tragically passed away while traveling with his wife supporting the LSU Softball team in Palm Springs, California in February of 2015. Before his passing, Mr. Moore and his family made a financial commitment to the LSU softball program for the performance center.

- This state-of-the-art facility features a full-sized infield, multiple hitting lanes and a team weight room, believed to be the first-ever exclusive weight room for a softball team in the nation.

- With a space of 14,500 square feet, 1,279 square feet is dedicated to the weight room to go along with 770 square feet on the second floor specifically for cardio equipment.

- Each hitting lane will have wired electricity which provides the staff and student-athletes the capability to set up multiple hitting machines throughout the facility. The facility is wired with a custom multi-camera system that provides a chance to immediately review film during practice.

- The building is also equipped with 517 square feet of storage space and a 240 square foot locker room area. Lighting is energy efficient with impact-resistant LED fixtures.

- A custom turf, that mirrors real grass in terms of playability and performance, was installed with LSU branding through the entire indoor. Graphics are placed throughout the interior of the facility that honors the history of LSU softball.

Talking Points

- The 13 SEC schools joined together to wear teal or teal accents on Saturday, March 20 as the entire league recognized Alex Wilcox's impact on the softball community nationwide and in the fight against ovarian cancer. The campaign is a joint effort of LSU head coach Beth Torina and MSU head coach Samantha Ricketts and was approved at the SEC coaches' meetings in the fall of 2019.
- Wilcox was a member of the 2018 Mississippi State softball team who inspired the nation with her courageous fight against ovarian cancer. That fight ultimately took her life in the summer of 2018.
- The Geaux Teal Ovarian Cancer Awareness Foundation provided each school with an All for Alex shirt to be worn by teams and their respective staffs during pregame warmups. Videos were played throughout each stadium on March 20.
- MSU immortalized Wilcox on Sept. 15, 2018 when the university retired her No. 8 jersey, making her the first female student-athlete in Mississippi State history to receive the honor.
- All 13 SEC softball teams were awarded the league's Sportsmanship Award in 2018 for their united support of Wilcox throughout her final year of competition.
