Four WCWS Trips Under Torina

The LSU softball program has advanced to the Women's College World Series four times under Torina, including three consecutive trips (2015-17). LSU and UCLA were the only programs that advanced to Oklahoma for three-straight years in that same time span.

Softball Inks Six for 2023 Season

Head coach Beth Torina announced in the fall the signing of six during 2021 Signing Day. All will be freshman and eligible for the 2022-23 academic year.

Extra Inning Softball ranked the Tigers' class as No. 6 in the country for the second consecutive year as all signees are ranked in the Top 100 Prospect rankings.

The Tigers signed Maci Bergeron (Rayne, La.), Sydney Berzon (Buffalo, N.Y.), Alea Johnson (Fairhope, Ala.), Abigail Savoy (Branch, La.), Emma Strood (League City, Texas) and Maia Townsend (Morris, Ala.).

"This class is truly special, and we have been awaiting their arrival for a long time," said coach Torina. "They are the best of the best at their respective positions and will help us continue to compete at the absolute highest level. I fully expect that we will see an immediate impact on our program from this group. We are proud of all they have accomplished up to this point in their careers and we cannot wait to see what lies ahead for them as a part of our program."

Cummins, Stewart Earn Degrees in Fall 2021

Morgan Cummins and Savannah Stewart earned their degree this fall. Cummins graduated with a bachelor's degree in Interdisciplinary Studies, while Stewart received her bachelor'd degree in Sports Administration.

"The Mike"

- The Mike Moore Performance Center, one of the top indoors facilities among college softball and the biggest indoor facility in the SEC, was added to the facility in 2020.

- The facility was named after the late Mike Moore, a longtime supporter of LSU softball. During his life, Mr. Moore was an avid and very active fan of LSU Athletics. Mr. Moore and his family were season ticket holders for multiple sports and often traveled across the country to watch the Tigers play.

- Mr. Moore tragically passed away while traveling with his wife supporting the LSU Softball team in Palm Springs, California in February of 2015. Before his passing, Mr. Moore and his family made a financial commitment to the LSU softball program for the performance center.

- This state-of-the-art facility features a full-sized infield, multiple hitting lanes and a team weight room, believed to be the first-ever exclusive weight room for a softball team in the nation.

- With a space of 14,500 square feet, 1,279 square feet is dedicated to the weight room to go along with 770 square feet on the second floor specifically for cardio equipment.

- Each hitting lane will have wired electricity which provides the staff and student-athletes the capability to set up multiple hitting machines throughout the facility. The facility is wired with a custom multi-camera system that provides a chance to immediately review film during practice.

- The building is also equipped with 517 square feet of storage space and a 240 square foot locker room area. Lighting is energy efficient with impact-resistant LED fixtures.

- A custom turf, that mirrors real grass in terms of playability and performance, was installed with LSU branding through the entire indoor. Graphics are placed throughout the interior of the facility that honors the history of LSU softball.
