SEC Network has proven time and again that it is one of the most successful launches by a network in all of cable television. It placed the Southeastern Conference, its member institutions and sports teams on an international stage with brand recognition in every corner of the country and around the globe.

That was the vision when the SEC and ESPN signed a 20-year agreement through 2034 to create and operate a multi-platform network, which launched on Aug. 14, 2014. The network and its accompanying digital platform, SEC Network+, carries SEC live events and programming 24/7.

Complementing the volume of network-produced programming, all 14 schools built state-of-the-art control rooms and purchased HD camera equipment to provide the same quality coverage for events that viewers have been accustomed to for years across ESPN networks.

These school-produced events are made available exclusively through the ESPN App as part of SEC Network+ on connected devices, allowing fans to watch their favorite teams anytime, anywhere.

SEC Network has also become known for its signature studio show, SEC Now, its traveling weekly football pregame show, SEC Nation, and of course, The Paul Finebaum Show, which welcomes callers and guests to share their thoughts on topics surrounding the SEC. On top of the network's wall-to-wall coverage of Saturday SEC football, SEC Network boasts three additional football-focused studio shows in the fall: Thinking Out Loud, SEC This Morning and Marty & McGee, as well as food and culture favorite, TrueSouth.

### THIS IS SEC FOOTBALL

- Fifteen times in the last 15 seasons, a team from the SEC has advanced to the national championship game. The SEC has won 12 of those contests, with two of the losses coming in the game's final seconds. The winner of the SEC Championship Game has advanced to the National Championship Game all but once since 2006.
- Since Florida in January 2009, five different teams from the SEC have played for and won the national championship. All five have multiple appearances and at least one victory since in the national championship game since 2007.
- The SEC has won three consecutive CFP National Championships, all by three different programs (LSU, Alabama, Georgia).
- Not counting games versus each other, the SEC is 12-3 all-time in College Football Playoff games, playing in seven of the eight CFP Championship Games (winning five of those seven). The SEC is 9-1 in CFP Semifinals.
- Since 2006, the SEC has posted a 29-15 (.659) record in BCS/CFP games, more wins, appearances, and winning percentage than any other A5 conference.
- More than 363 players from Southeastern Conference schools were listed on the initial 53-man NFL roster to begin the 2021 season. Alabama led the league with 55 former players on NFL rosters, followed by LSU (47), Georgia (36) and Florida (33).
- A total of 27 former SEC players were on active rosters of Super Bowl LVI between the Rams and Bengals.
- The 2022 Super Bowl marked the second time since 2015 and third since 2006 that both starting quarterbacks in the Super Bowl were from the SEC.
- The SEC is 102-62 (.622) in bowl games since 2006, the only FBS league with a .600 or better winning percentage and 30 wins more than the next closest conference.
- The SEC has now won 53 games in the last eight postseasons and has sent no less than eight teams to post-season bowls in each of the last 15 seasons.
- In the eight seasons of the College Football Playoff era, only six programs nationally have been ranked No. 1 in the weekly CFP Top-25 Poll (which begins in late October each year) – four of those six programs (Alabama, Georgia, LSU, Mississippi State) are from the SEC. No team outside the SEC has been ranked No. 1 in the weekly CFP Poll since 2019.
- Nine different SEC teams, including all seven from the SEC Western Division, have made BCS/New Year's Six bowl game appearances since 2006: Alabama, Arkansas, Auburn, Florida, Georgia, LSU, Ole Miss, Mississippi State and Texas A&M. Since the formation of the College Football Playoff in 2014, six of the seven schools in the Western Division have advanced to a New Year's Six bowl.
- With Georgia and Alabama both earning victories in the CFP Semifinals in both 2021 and 2017, the national championship game has featured two SEC teams twice in the last five years and third time since the 2011 season.
- The SEC accounted for 82 of the total NFL Combine invites in 2022 - which accounts for just over 25% of the national total.
- For the first time in league history, the SEC has now produced the Heisman Trophy winner in three consecutive seasons.
- The 2021 SEC Championship attracted over 15 million viewers, the most watched championship game in college football since 2018. Two of the four most viewed games in college football in 2021 were SEC contests, with both drawing over 10 million viewers.
- Eleven of the most 25 viewed college football games in 2021 involved teams from the SEC, including three of the top six and five of the top nine.

2022 Media Days Preseason Poll

Alabama was predicted to win the 2022 SEC Championship, according to a preseason poll of media covering SEC Football Media Days.

Alabama received an overwhelming 158 votes to be crowned SEC Champion on December 3 in Atlanta at Mercedes-Benz Stadium, while Georgia was second with 18 votes.

The Bulldogs were selected to win the SEC Eastern Division with 1254 points, including 172 first-place votes, while Kentucky was second with 932 points and four votes to win the division. Tennessee was third with 929 points. Points were awarded on a 7-6-5-4-3-2-1 scale.

Alabama was picked to win the SEC Western Division with 1262 total points, followed by Texas A&M with 968 and Arkansas with 844. Alabama received 177, all but four, first-place votes in the SEC West.

Only nine times since 1992 has the predicted champion prior to the season at SEC Media Days proceeded to win the SEC Championship Game, which includes the last two consecutive seasons.

## SEC BOWL SUCCESS

### NATIONAL CHAMPIONS SINCE 1992

Since the first SEC expansion in 1992, the SEC has the most national championships (AP, USA Today) with 16. During that time, the SEC has had more teams with national titles than any other conference (6). Here is a breakdown:

SEC (16) Florida (2008, 2006, 1996), LSU (2003, 2007, 2019), Tennessee (1998), Alabama (1992, 2009, 2011, 2012, 2015, 2017, 2020), Auburn (2010), Georgia (2021)  
 Big 12 (5) Texas (2005), Oklahoma (2000), Nebraska (1994, 1995, 1997)  
 ACC (5) Florida State (1993, 1999, 2013), Clemson (2016,18)  
 Big Ten (3) Ohio State (2002, 2014), Michigan (1997)  
 Pac-10 (2) Southern California (2003, 2004)  
 Big East (1) Miami, Fla. (2001)

The SEC was the first conference to claim four consecutive Associated Press (first poll - 1936), National Football Foundation and College Hall of Fame (first poll - 1959), Football Writers Association of America (first poll - 1954) and USA Today or UPI Coaches Poll (first poll - 1950) national championships.

### SEC IN BOWL GAMES

• Since 2006, the SEC has accrued more bowl wins (102) and appearances (164) than any other conference. The conference's .622 bowl winning percentage is first among A5 leagues during that time.

### SEC SUCCESS SINCE 2006

During the last 16 seasons (2006-21), Southeastern Conference football has experienced success that is unparalleled in its football history and in the history of college football. During this tenure, the SEC's achievements have been demonstrated by:

- Triumphs in major bowl games, including the National Championship Game
- Non-conference success in regular season and bowl games
- Defeating highly-ranked non-conference teams
- Success in the polls and rankings
- Individual awards and All-America Teams
- Academic and Community Service Standouts
- Continued accomplishments of former SEC student-athletes in the NFL and NFL Draft

### SEC IN THE CFP/BCS ERA (Since 1998)

• The SEC has won 12 of the last 16 national championships, 14 of the 24 BCS/CFP-era National Championships, six runner-up finishes and 28 overall national titles (CFP, AP, BCS, FWA, Coaches Poll) in SEC history. The SEC has appeared in 15 of the last 16 National Championship Games and in 10 of the 16 BCS Championship Games, winning nine.

• Five different SEC schools have won the National Championship since 2006 (Auburn, 2010; Alabama, 2009, 2011, 2012, 2015, 2017, 2020; Florida, 2006, 2008; LSU, 2007, 2019; Georgia, 2021). Five programs have advanced to the national championship game since 2013. Tennessee (1998) has also won the former BCS crown. Auburn appeared in the 2013 BCS Championship Game, as did LSU in 2011 and Alabama in 2021. A team from the SEC Western Division had advanced to five consecutive national championship games prior to the 2014 season, when Alabama lost in the CFP semifinals. The ACC (Clemson, Miami and Florida State) has had three schools win titles since 1998, while the Big 12 (Texas and Oklahoma) has had two.

• Since 2006, over half of the slots in the National Championship Game have been taken by SEC teams (18 of 32). The ACC and Big Ten have four during that time, while the Big 12 and Pac-12 have two.

• The SEC has had more teams ranked in the BCS/CFP standings than any other conference since 2006. The league has had 13 of its 14 teams ranked at one time or another since 2006. Vanderbilt is the only team to not appear in the BCS/CFP rankings during this time, however, the Commodores finished ranked in the Top 25 in both 2012 and 2013 after bowl games with 9-4 records. The BCS/CFP does not produce a poll following bowl games.

• Since 2006, the SEC has posted 28 wins in BCS/New Year's Six/Access bowls - more wins than any other conference.

• Five of the top 10 defensive performances in CFP/BCS history have been registered by SEC teams, more than any other conference. Alabama's shutout of LSU in the 2012 BCS National Championship Game was the first shutout in CFP/BCS history. Alabama defeated Michigan State soundly 38-0 in a CFP National Semifinal in 2015, while defeating Washington 24-7 in 2016 semifinal contest. Alabama dominated Clemson in the 2018 Sugar Bowl Semifinal, holding Clemson to just 188 yards, well short of their average 448 yards per game. In the 2001 CFP Semifinal, Alabama defeated Cincinnati 27-6, holding the Bearcats to 218 yards and a pair of field goals.

• The SEC has now won 53 games in the last six postseasons. With 12 teams advancing to bowl games in 2016, the SEC became the first conference to send at least 10 teams to postseason bowls in four consecutive seasons. The SEC also sent a NCAA-record 12 teams to participate in postseason bowl games in 2014 and has sent no less than eight teams to post-season bowls in each of the last 14 seasons. The SEC established a national-record with nine postseason victories in 2015 and owned the previous record for postseason bowl victories with seven wins in 2007, 2013 and 2014. The SEC qualified a record-13 teams for postseason bowls in 2021.

• The SEC is 102-62 (.622) in bowl games since 2006, the only Autonomy Five league with a .600 or better winning percentage and more than 30 wins than the next closest conference.

### SEC vs. OTHER CONFERENCES

• Since 2006, the SEC has posted the highest non-conference winning percentage (regular season & bowls) than any other conference. The league has a 758-189 record, an 80.0 winning percentage. The SEC has won no less than 43 non-conference games (regular season & bowls) during the last 16 seasons (2006-2021). Last season (2021), the SEC was 53-15 (.779) including bowl games.

### SEC IN FINAL RANKINGS

• Since 2006, the SEC has had the most teams ranked in the final USA Today Coaches Poll. The conference has had 87 teams ranked in the final USA Today rankings during that span.

• The SEC has either led or tied for the lead with the most teams ranked in the USA Today Top-25 for 14 of the last 16 seasons.

### THIS IS SEC FOOTBALL

• Fifteen times in the last 16 seasons, a team from the SEC has advanced to the national championship game. The SEC has won 12 of those contests, with two of the losses coming in the game's final seconds. The winner of the SEC Championship Game has advanced to the National Championship Game all but once since 2006.

• Since Florida in January 2009, five different teams from the SEC have played for and won the national championship. All five have multiple appearances and at least one victory since in the national championship game since 2007.

• The SEC has won three consecutive CFP National Championships, all by three different programs (LSU, Alabama, Georgia).

• Not counting games versus each other, the SEC is 12-3 all-time in College Football Playoff games, playing in seven of the eight CFP Championship Games (winning five of those seven). The SEC is 9-1 in CFP Semifinals.

• Since 2006, the SEC has posted a 29-15 (.659) record in BCS/CFP games, more wins, appearances, and winning percentage than any other A5 conference.

• More than 363 players from Southeastern Conference schools were listed on the initial 53-man NFL rosters to begin the 2021 season. Alabama led the league with 55 former players on NFL rosters, followed by LSU (47), Georgia (36) and Florida (33).

• A total of 27 former SEC players were on active rosters of Super Bowl LVI between the Rams and Bengals.

• The 2022 Super Bowl marked the second time since 2015 and third since 2006 that both starting quarterbacks in the Super Bowl were from the SEC.

• The SEC is 102-62 (.622) in bowl games since 2006, the only FBS league with a .600 or better winning percentage and nearly 40 wins more than the next closest conference.

• The SEC has now won 53 games in the last eight postseasons and has sent no less than eight teams to post-season bowls in each of the last 15 seasons.

• In the eight seasons of the College Football Playoff era, only six programs nationally have been ranked No. 1 in the weekly CFP Top-25 Poll (which begins in late October each year) — four of those six programs (Alabama, Georgia, LSU, Mississippi State) are from the SEC. No team outside the SEC has been ranked No. 1 in the weekly CFP Poll since 2019.

• Nine different SEC teams, including all seven from the SEC Western Division, have made BCS/New Year's Six bowl game appearances since 2006: Alabama, Arkansas, Auburn, Florida, Georgia, LSU, Ole Miss, Mississippi State and Texas A&M. Since the formation of the College Football Playoff in 2014, six of the seven schools in the Western Division have advanced to a New Year's Six bowl.

• With Georgia and Alabama both earning victories in the CFP Semifinals in both 2021 and 2017, the national championship game has featured two SEC teams twice in the last five years and third time since the 2011 season.

• The SEC accounted for 82 of the total NFL Combine invites in 2022 - which accounts for just over 25% of the national total.

• For the first time in league history, the SEC has now produced the Heisman Trophy winner in three consecutive seasons.

• The 2021 SEC Championship attracted over 15 million viewers, the most watched championship game in college football since 2018. Two of the four most viewed games in college football in 2021 were SEC contests, with both drawing over 10 million viewers.

• Eleven of the most 25 viewed college football games in 2021 involved teams from the SEC, including three of the top six and five of the top nine.

SEC CHAMPIONSHIP GAME

SEC DIVISIONAL TIE-BREAKER

In the event of a tie for the division championship, the following procedures will be used to break all ties to determine the SEC Football Championship Game representative. All Conference versus Conference Games (both division and non-division) will be counted in the Conference Standings.

1. **Two-Team Tie.** In the event two teams are tied for a division title, the following procedure will be used in the following order:

- A. Head-to-head competition between the two tied teams;
- B. Records of the tied teams within the division;
- C. Head-to-head competition against the team within the division with the best overall (divisional and non-divisional) Conference record, and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- D. Overall record against non-divisional teams;
- E. Combined record against all common non-divisional teams;
- F. Record against the common non-divisional team with the best overall Conference record (divisional or non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division;
- G. Best cumulative Conference winning percentage of non-divisional opponents; and

Example: Tied Teams Non-Divisional Opponents Cumulative Record

Western 1 Eastern Opponents: 14-2  
 Western 2 Eastern Opponents: 12-4  
 (Western 1 would be the representative)

H. Coin flip of the tied teams.

2. **Three-Team Tie (or more).** If three teams (or more) are tied for a division title, the following procedure will be used in the following order: (Note: If one of the procedures results in one team being eliminated and two remaining, the two-team tiebreaker procedure as stated in No. 1 above will be used):

- A. Combined head-to-head record among the tied teams;
- B. Record of the tied teams within the division;
- C. Head-to-head competition against the team within the division with the best overall Conference record (divisional and non-divisional) and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- D. Overall Conference record against non-divisional teams;
- E. Combined record against all common non-divisional teams;
- F. Record against the common non-divisional team with the best overall Conference record (divisional and non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division; and
- G. Best cumulative Conference winning percentage of non-divisional opponents (Note: If two teams' non-divisional opponents have the same cumulative record, then the two-team tiebreaker procedures apply. If four teams are tied, and three teams' non-divisional opponents have the same cumulative record, the three-team tiebreaker procedures will be used beginning with 2.A.);

Example: Tied Teams Non-Divisional Opponents Cumulative Record

Western 1 Eastern Opponents: 14-2  
 Western 2 Eastern Opponents: 12-4  
 Western 3 Eastern Opponents: 8-8  
 (Western 1 would be the representative)

H. Coin flip of the tied teams with the team with the odd result being the representative (Example: If there are two teams with tails and one team with heads, the team with heads is the representative).

2022 SEC CHAMPIONSHIP GAME

The Southeastern Conference's Eastern and Western Division winners will meet in Atlanta's Mercedes-Benz Stadium to battle for the league championship and the right to represent the conference in the College Football Playoff. The 31st-annual title game is set for December 3 and will be televised nationally by CBS Sports.

The game was born as a result of 1992 conference expansion, which saw Arkansas and South Carolina become the first members added in SEC history. Under NCAA regulations, a conference with 12 members may play an additional football game to determine its champion, provided the regular season is played in divisions.

The participants of the game are determined each year during the eight-game regular-season conference schedule as the teams with the best overall SEC winning percentage in each division.

The 2018 SEC Championship Game was the most-watched and highest-rated regular-season college football game on any network in seven years with a 10.1/23 rating/share and 17.5 million viewers. It also marked the second most-watched SEC Championship ever in 26 years since the game debuted in 1992. Nearly 14 million viewers watched the 2019 contest. Shifting to primetime, the Alabama-Florida SEC Championship in 2020 averaged a 4.9 and 8.92 million viewers on CBS. It was the first primetime SEC Championship since the 2006 game. The 2021 SEC Championship attracted over 15 million viewers, the most watched championship game in college football since 2018.

The 2009 SEC Championship Game earned an 11.8 rating and a 24 share, marking the highest-rated SEC Championship Game in history. The game matched the No. 1 Florida Gators (12-0) vs. the No. 2 Alabama Crimson Tide (12-0).

The SEC Championship Game has drawn 27 capacity crowds in its 29-year history. Only 1993 (Birmingham) and 1995 (Atlanta) were not sellouts.

The SEC, along with AMB Sports & Entertainment (AMBSE) and the Georgia World Congress Center Authority (GWCCA), have an agreement to host the SEC Championship Game at Mercedes-Benz Stadium in Atlanta through 2026. The new agreement allows the SEC the option of adding up to two successive five-year extensions. The Georgia Dome hosted the SEC Championship Game for 23 years beginning in 1994, with capacity crowds in the last 22 consecutive years. By the end of the new agreement, including options, the Championship will have been played in Atlanta a total of 43 years.

# 2022 SEC Football

Much has happened in the Southeastern Conference in the aftermath of the COVID pandemic.

The last three years presented a series of complex, unprecedented challenges for the entire sports world. Throughout each reality, the Southeastern Conference emerged as an unquestioned leader in all of sports for successfully managing a unique landscape of issues.

- The SEC's leadership through the COVID-19 pandemic provided a pathway for college sports to return to action in the fall of 2020. Thousands of student-athletes were therefore able to pursue their lifelong passions in a healthy way. Memories were created that otherwise would have never come to pass because the SEC's culture of collaboration among the leaders of the league allowed the 14 universities to move together through adversity, difficult decisions and unrelenting pressures.

- While the pandemic had a devastating effect on the finances of college athletics programs across the country in 2020, the long-term financial vitality of the SEC stayed in focus. The SEC finalized a milestone 10-year agreement with the Walt Disney Company that grants ABC and ESPN exclusive broadcast rights to premier SEC football and basketball events beginning in 2024-25 and continuing through 2033-34.

- The SEC continued to lead in its commitment to providing equal opportunities to historically underrepresented individuals. With an understanding of the tremendous cultural influence the SEC has in its region, the Conference exercised that influence in calling on Mississippi lawmakers to remove Confederate imagery from the state flag.

- The SEC's commitment to diversity, equity and inclusion continued to be evident in 2021 in a new initiative codified by an SEC bylaw aimed at encouraging, facilitating and assisting member institutions in attracting and hiring individuals in historically underrepresented groups in leadership positions of their athletics programs.

- The SEC expanded its leadership of college sports in 2021, and in no more impactful way than the announcement that historical powerhouses Oklahoma and Texas would join the Conference beginning in 2025. The SEC will expand for the third time since 1992, bringing to 16 the number of members in the SEC.

- Amidst a time of upheaval in college sports during the last year, the SEC continues to lead. In February 2022, the SEC announced its largest distribution of revenue in Conference history, enabling SEC universities to provide unrivaled opportunities to its student-athletes as it positions itself to lead college sports into the future.

- The SEC's popular slogan "It Just Means More" has struck a cultural nerve for the conference. And over the course of the last several years, it can certainly be applied to the continued effective and impactful leadership of the Southeastern Conference.

## STUDENT-ATHLETE DEVELOPMENT AND ACHIEVEMENT

### STUDENT-ATHLETE CAREER TOUR

The SEC's successful student-athlete career tours were not derailed by the COVID pandemic. The program, that allows graduating student-athletes to connect with human resource recruiters in various careers and submit resumes for entry-level jobs and internships, continued in a virtual format during the pandemic and resumed in-person in Atlanta Nov. 30-Dec. 2, 2021.

The group visited the headquarters and met with executives at several corporations and organizations in the Atlanta area including Mercedes-Benz Stadium, The Home Depot, Atlanta Hawks, Atlanta Braves and Delta Airlines.

In addition to visits with executives, the students also learn about interview preparation, and ways to build effective business relationships through authenticity, curiosity, and social media best practices.

### GRADUATE PATCHES

More than 1,300 student-athletes in all sports have worn the SEC Graduate Patch over the last three years. The SEC introduced the patch in 2016 for student-athletes who have graduated but have not exhausted their eligibility. The SEC logo patch on their uniforms is replaced with a special patch highlighting the word "Graduate" underneath the conference logo. The patch is similar in design for all conference schools, but is school-specific in color.

### LANDMARK MEDIA AGREEMENT

The SEC and ESPN announced in December 2020 a milestone 10-year agreement that grants ABC and ESPN exclusive broadcast rights to premier SEC football and basketball events beginning in 2024-25 and continuing through 2033-34.

The landmark deal, which represents a significant expansion of the conference's current partnership with ESPN, will establish ABC as the new broadcast network home for Saturday afternoon SEC football games, as well as selected Saturday primetime football games and the annual SEC Football Championship Game, which has grown into one of the most popular sporting events of the year. In addition, approximately eight incremental marquee men's basketball games will be featured across ABC or ESPN.

The new First Tier rights agreement puts all SEC media rights under The Walt Disney Company umbrella, giving the SEC exposure on ABC, ESPN, ESPN2, ESPNU, ESPN+, SEC Network and SEC Network+.

The exclusive partnership with ESPN comes with significant scheduling flexibility that will produce an array of benefits for member schools, student-athletes and college football fans. Under the new agreement, a number of game times and broadcast windows will be announced in advance of the season, giving fans an ability to plan more seamlessly.

## RECORD REVENUE DISTRIBUTION

For the fiscal year that ended August 31, 2021, the SEC distributed a Conference record \$764.4 million dollars to its 14 members, a record \$54.6 million per institution.

The SEC provides superior support to its 14 member universities as a direct result of the revenue distributed through the Southeastern Conference. The SEC's conference-wide commitment to the student-athlete experience is profound and translates into exceptional instruction, training, equipment, academic counseling, medical care, mental health and wellness support and life-skills development.

In addition, revenues generated through SEC athletics often contribute in significant and unique ways to the academic missions of the 14 SEC universities. Past examples of how this revenue has had an impact outside athletics has included participation in the construction and renovation of academic facilities, support of academic scholarship opportunities, funding of academic programs and direct transfers of funds to support academic budgets.

## SEC VIEWERSHIP CONTINUES GROWTH

- For the last three years, the SEC on CBS was the highest rated college football package and the SEC Football Championship was highest rated championship game

- For a third straight year in 2021, the SEC was the most-watched football conference on ESPN with 2.8 million viewers. SEC games averaged +57% more viewers than any other conference on ESPN.

- SEC men's basketball games on ESPN were up +27% year-over-year, averaging over 1 million viewers per game.

- South Carolina women's basketball won the national title in the most-watched Women's National Championship since 2004 and Tennessee vs. South Carolina on ABC on February 20, 2022, was the most-viewed regular season women's college basketball game since 2017.

- The first gymnastics meet ever on ABC, Alabama at Florida on January 16, 2022, was ESPN's second most-watched gymnastics meet since 2011.

SEC Network has made achieving gender equity across live events a priority over the past few years, reaching that goal in the 2021-22 academic year. Moving forward, SECN will continue to program the network with gender equity as a north star, providing an equal platform to further the growth of all SEC sports.

A show that sets itself apart on every level, SEC Network's TrueSouth Presented by YellaWood was nominated for the prominent James Beard Award, earning a finalist nod in the Visual Media—Short Form category.

## CONTINUED INNOVATION IN OFFICIATING

The SEC began use of Collaborative Video Review in women's basketball and Centralized Video Review in softball games in 2022, becoming the first conference to use those processes in those sports as permitted by NCAA rules. With the addition of women's basketball and softball, the SEC now has five sports that operate Video Review out of the SEC Video Center in the Conference Office.

The SEC has been a pioneer in collaborative and centralized video review. In baseball and softball, a Replay Official in the SEC Video Center reviews plays in SEC vs. SEC games and renders decisions that are communicated to the on-site umpire crew. In football, men's and women's basketball, replay officials in the Video Center collaborate with on-site officials to determine outcomes.

## LEADERS IN ATTENDANCE

- For the 23rd straight year, the SEC led every other conference in college football with the most fans in attendance per game with an average of 72,195.

- The SEC Football Championship Game attendance of 78,030 is the most in Mercedes-Benz Stadium and the second-highest championship game history, trailing only the inaugural championship game in 1992 between Alabama and Florida.

- SEC Women's Basketball has led the nation in attendance every year since 2015. In 2022, more than 1 million fans attended games. The SEC was the only conference to eclipse 1 million fans.

- SEC Baseball has led the nation in attendance 26 years in a row. Seven of the nation's top-10 attendance leaders in 2021 were from the SEC, and total attendance during the 2022 regular season surpassed 2.3 million.

## RACIAL EQUITY AND SOCIAL JUSTICE

### SEC LAUNCHES HIRING AND DEVELOPMENT INITIATIVE

The SEC in 2021 launched a new initiative aimed at encouraging, facilitating and assisting member institutions in attracting and hiring individuals in historically underrepresented groups in the leadership of their athletics departments.

The initiative was approved by the Conference's Presidents and Chancellors with the creation of a new conference bylaw that will help guide hiring practices at the member institutions within the Conference, particularly in the roles of athletics director, head coach, and senior woman administrator (SWA) and in positions that typically lead to employment in the positions of athletics director, head coach and SWA.

Under the new initiative, member institutions will employ intentional efforts to identify and consider candidates from historically underrepresented minority groups who may be outside the professional, social, and societal networks of those frequently making hiring decisions on behalf of the member institutions.

# COLLEGE FOOTBALL PLAYOFF

## EVERY GAME COUNTS

The College Football Playoff (CFP) is a postseason event to determine college football's national champion on the field, while emphasizing the significance of college football's unique regular season where every game counts.

## RANKINGS

The selection committee ranks the teams based on the members' evaluation of the teams' performance on the field, using conference championships won, strength of schedule, head-to-head results, and comparison of results against common opponents to decide among teams that are comparable.

## TRADITION

The New Year's holiday period belongs to college football, with two semifinal games rotating annually among the Cotton Bowl, Fiesta Bowl, Orange Bowl, Peach Bowl, Rose Bowl and Sugar Bowl.

## CHAMPIONSHIP MONDAY

The two teams that win the Playoff Semifinals compete for the College Football Playoff National Championship. The national championship game is in a different city each year, always on a Monday night.

## UNIVERSAL ACCESS

Every Football Bowl Subdivision (FBS) team has equal access to the College Football Playoff based on its performance during the regular season. No team automatically qualifies.

## GOVERNANCE

University presidents and chancellors from all 10 FBS conferences and Notre Dame serve as the board of managers and govern the administrative operations, with commissioners and Notre Dame athletics director (the Management Committee) managing the event. A small staff in the CFP office in Irving, Texas, carries out the day-to-day responsibilities.

## SELECTION COMMITTEE

A talented group of 13 high-integrity individuals with experience as coaches, student-athletes, college administrators and journalists, along with sitting athletics directors, comprise the selection committee. Members of the committee are Mitch Barnhart, Tom Burman, Boo Corrigan (chair), Rick George, Chet Gladchuk, Jim Grobe, Warde Manuel, Will Shields, Gene Taylor, Joe Taylor, John Urschel, Rod West and Kelly Whiteside.

## SELECTION COMMITTEE RESPONSIBILITIES

- Rank the top 25 teams and assign the top four to semifinals sites.
- Assign teams to New Year's bowls.
  - Create competitive matchups.
  - Attempt to avoid rematches of regular-season games and repeat appearances in specific bowls.
  - Consider geography.

## PARTICIPANTS IN THE NEW YEAR'S BOWLS

Both participants in the Orange, Rose and Sugar Bowls are contracted outside the playoff arrangement (Big Ten and Pac-12 to Rose Bowl; SEC and Big 12 to Sugar Bowl; ACC to Orange Bowl against the highest-ranked available team from the SEC, Big Ten and Notre Dame). If a conference champion qualifies for the playoff, then the bowl will choose a replacement from that conference. When those bowls host the semifinals and their contracted conference champions do not qualify, then the displaced champion(s) will play in one of the other New Year's bowls.

When not hosting semifinals, the Cotton, Fiesta and Peach Bowls will welcome the highest-ranked teams, any displaced conference champions, and the top-ranked champion from a non-contract conference. The highest-ranked available teams will fill any other berths. The selection committee will make the pairings.
