WEST SIDE RENOVATION

Tiger Stadium's west side is undergoing a renovation that will add over 3,200 special amenity seats as well as a state-of-the-art press box to Death Valley. The renovation to the west side of Tiger Stadium makes the 81-year-old stadium a showplace among college football stadiums, while also making Death Valley a more fan-friendly facility.

FOOTBALL OPERATIONS BUILDING

LSU's new Football Operations Center is an all-in-one facility that includes football offices, a locker room, a training room, an equipment room, and a video operations center. The \$15 million facility is located at the Charles McClendon Practice Complex, adjacent to the Indoor Football Facility. The facility, among the finest of its kind in college athletics, provides more efficient time for dressing, training and practicing for LSU's student-athletes and coaches.
