INCLEMENT WEATHER

The primary goal is to play games according to the published schedule [one game on Friday, one game on Saturday, and one game on Sunday (if necessary)]. You should keep in touch with local weather bureau and we also recommend that you evaluate the weather via www.weather.gov or www.weather.com. Lightning should be evaluated via the Weather Sentry Online system. Please use these weather-monitoring devices when trying to determine starting times after a delay.

As a general rule, no game should start later the 11 pm local time.

Possible Scenarios

- A. **If the Friday game is cancelled...** play one game each on Saturday, Sunday and Monday (if necessary).
- B. **If the Friday game is played and the Saturday game is cancelled...** play game two on Sunday and game three (if necessary) on Monday.
- C. **If Friday and Saturday games are cancelled...** play games one and two on Sunday and game three (if necessary) on Monday.

LSU event management personnel will monitor all weather throughout the super regional tournament. LSU has several weather monitoring / prediction services available to ensure that the NCAA safety guidelines for student athletes and spectators are being followed. LSU event management will have access to the following services:

- NCAA provided Telvent DTN MxVision WeatherSentry Online weather monitoring and lightning detection system
- LSU contracted Impact Weather monitoring and lightning detection system
- Vaisala Lightning Server
- 24 hour on call meteorologist

FACILITIES & SERVICES

LOCKER ROOMS / CLUBHOUSE

All teams besides the host institution participating in the championship should arrive at the venue in uniform. Full locker rooms will not be provided. Teams are asked to not leave belongings in the facilities. Restrooms will be available behind the dugouts. Teams are asked to shower in their hotel rooms after each game. LSU will be allowed to use its clubhouse regardless of being designated as the home or visiting team. LSU will vacate the clubhouse two hours prior to the scheduled game time when designated as the visiting team.

LAUNDRY

Laundry service is available following all practices and games. A LSU representative will meet with you during practice times. Arrangements for this service must be made by calling George Branigan at 225-578-4336 or 225-268-9844 (cell). Laundry will be picked up and returned to teams at Alex Box Stadium. Please indicate your preference when making your arrangements.

MUSIC

1.) No warm-up tapes are permissible. Only band(s) and electronic scoreboard music will be used. The LSU Marketing Department will select and administer all music.

2.) **WALK-UP MUSIC** - The NCAA Division I Baseball Committee voted to eliminate introductory/"walk-up" music during all rounds of the NCAA Division I Baseball Championship. Such music has sometimes been played in the past before a hitter steps into the batter's box.

PRACTICE FACILITIES

Should you care to schedule additional practice time, or in the event that your scheduled practice is cancelled due to inclement weather, LSU has arranged for the following alternate practice site options.

Please contact **David Taylor- 225-270-8427** should you be interested in scheduling one of these two facilities:

1.) Football Operations Indoor Practice Facility – located across Skip Bertman Drive from Alex Box Stadium. This space will be made available for running, stretching and throwing, should weather conditions dictate. Available by appointment only.

2.) University High School Practice Field- located adjacent to the Football Operations building. This field will be made available by appointment only, and may be used for additional practice if desired.

In addition we have contacted an indoor Baseball Club in Baton Rouge who would be happy to accommodate your teams for hitting and/or fielding and pitching. These facilities and scheduling contacts are listed below. Please be advised that use of these facilities is at your own expense and space is limited per schedule.

DRUG TESTING & DUGOUTS

DRUG TESTING

NCAA championships committees, following a recommendation from the NCAA drug-testing subcommittee, have discontinued the practice of announcing whether drug testing will be conducted at NCAA championship events. Although knowing prior to competition whether NCAA drug testing was to occur had value for reasons of convenience, it left open the possibility that student-athletes might be tempted to use banned substances if they knew that NCAA testing was not being conducted at the site of competition. Therefore, all coaches and student-athletes should presume that NCAA drug testing will occur at this championship event. Please note that no student-athlete will be notified of or escorted to NCAA drug testing without the knowledge of an official, credentialed representative from that student-athlete's institution.

DUGOUTS AND HOME TEAM DETERMINATION

For Game One, LSU will be the home team. Stony Brook will be the home team in Game Two. A coin flip will determine the home team in Game Three, if necessary. This coin flip must take place during the pre-tournament meeting and LSU can determine whether they will call the coin toss, or defer the call to Stony Brook.

During the pre-championship meeting for the super regional, the host institution must designate whether the first or third base dugout will be the home team dugout for the entire tournament.

TOBACCO BAN

The use of all tobacco products is prohibited by student-athletes and game personnel [e.g., coaches, umpires, athletic trainers, student managers, NCAA game representative(s), tournament director(s), etc.] during practice sessions and game competition. Umpires are instructed to take a zero tolerance policy in this area. The use of tobacco products during other championship activities, such as press conferences and postgame interviews, is prohibited. Violations of this regulation shall be dealt with by the appropriate sports committee in accordance with Rule 3-11 of the NCAA Baseball Rules Book and the misconduct provisions of Bylaw 31.1.10.

PERSONNEL & COACHES

BALLS

Teams will furnish their own practice baseballs; however, each team will be furnished two warm-up baseballs before each game. The Rawlings RINCAA (with Extra Innings Technology) baseball, the official championship baseball, will be used in all NCAA tournament games.

The NCAA shall order 15 dozen for super regionals and have them direct-shipped to the attention of the tournament manager at all regional and super regional sites.

BAT HANDLERS

Bat handlers must be 13 years of age or older to serve in this capacity at any NCAA regional, super regional and Men's College World Series competition. LSU will provide batgirls by request. Request for batgirls will be taken at the administrative meeting **Thursday, June 7 at 4:30 PM**.

BATTING CAGES

Practice Day:

Each team will have the option to use the batting cage **during** the scheduled 90 minute practice.

COACHES MEETING

A meeting of the coaches of the competing teams, administrators, and members of the games committee will be held on **Thursday, June 7, 2012 at 4:45 PM at the LSU Team Room of Alex Box Stadium** before the beginning of the tournament and before each round of competition (after the first-round games) to determine home and visiting teams, review ground rules, and dispense with any problems that may arise.

Head coaches are required to attend this meeting and it is considered misconduct if they do not do so. Assistant coaches, an administrator and the sports information director are requested to be in attendance.

On the field, including the practice field, bullpen, bench and dugout, each team is limited to four official coaches in uniform (head coach, assistant coaches and volunteer coach), 27 eligible student-athletes in uniform, and student assistant coaches. Only uniformed personnel, including coaches and eligible student-athletes, may be permitted between the white lines and in the bullpens.
