LSU's landscaping was called "a botanical joy" in its listing among the 20 best campuses in America in Thomas Gaines' "The Campus as a Work of Art."

Louisiana State University and Agricultural & Mechanical College has, throughout its 144-year history, served the people of Louisiana, the region, the nation, and the world. LSU is creating a revolution, one of pervasive change and advancement. For the past five years, the focus of the LSU community has been an increased commitment to excellence. Our progress has been dramatic and shows no sign of stopping.

Having witnessed many of yesterday's possibilities become today's tangible realities, the LSU community set forth to capitalize on its success. The goal was to improve our standing as a nationally competitive flagship university. Following intense discussions among the LSU Board of Supervisors, campus administrators, faculty, and student leaders, the objectives required to reach this status crystallized, providing the impetus for LSU's National Flagship Agenda.

LSU FACTS

Location: Baton Rouge, La.
Founded: January 2, 1860
Enrollment: 31,234

Major Fields for Bachelor's Degrees: 72
Major Fields for Master's Degrees: 72
Major Fields for Doctoral Degrees: 54

"THE MOST DIVERSE SCHOOL IN THE NATION."

Newsweek magazine named Louisiana State University the "Most Diverse" school in the nation in the Sept. 3, 2003 issue. The enrollment consists of 24 percent minority students.

The LSU Honors College provides intellectual opportunity and challenge for academically able and intellectually motivated undergraduate students. Honors students pursue a rigorous academic program, which satisfies all requirements of their academic departments and colleges and goes beyond those requirements to provide the basis for outstanding achievement and appropriate recognition for that achievement. From small enrollment interdisciplinary seminars in the freshman year to independent research activities in the senior honors thesis, honors students work closely with selected members of the faculty.

History and tradition began with LSU's founding in 1853 by the General Assembly of Louisiana as the Louisiana State Seminary of Learning and Military Academy near Pineville, Louisiana. The institution opened January 2, 1860. When the Civil War began, the school's first superintendent, William Tecumseh Sherman, resigned to assume a command in the Union Army. The seminary reopened in 1869, but was soon destroyed by fire. The institution moved to Baton Rouge, opening on Nov. 1, 1869.

WHY LSU?

WHY LSU?

“As far back as I can remember (riding bicycles, playing little league baseball), I have literally bled purple and gold. It never crossed my mind that there was anywhere else to go other than LSU. The experiences and relationships that I developed at LSU have been an integral part of my life. No other colleges existed in my mind. I am fortunate to have attended a place that I considered a dream and look forward to my association with the university until the day I die.”

and LSU Graduate

Critical to the development of an athlete as a student is an adequate academic facility and capable staff to further the athlete's progress.

The **Cox Communications Academic Center for Student-Athletes** is responsible for overseeing the educational development and progress toward graduation for all student-athletes. The staff acts as a liaison between the student-athlete and the academic communities and insures that student-athletes comply with academic rules established by the University, NCAA and Southeastern Conference. The staff also coordinates academic programs designed to assist student-athletes in acquiring a quality education.

THE GOAL

For each student-athlete to reach and receive the highest-quality education and degree.

THE RESPONSIBILITY

To oversee the educational development and progress toward graduation for all student-athletes.

- ▶ Tutoring
- ▶ Career Counseling and Development
- ▶ Time Management
- ▶ Study Skills

FACILITY BUILT BY THE TIGER ATHLETIC FOUNDATION

Paramount to the success of the "student" half of the term student-athlete is providing LSU athletes with the best possible resources to excel in the classroom. For more than 20 years, the LSU Academic Center for Student-Athletes has helped to build well-rounded student-athletes. But as times change and technology advances, the need for further improvements still exists. As a result, the Cox Communications Academic Center for Student-Athletes opened its doors in November of 2002. A \$15 million renovation to the Gym Armory not only made it among the nation's premier centers, but put it at the forefront. Improvements to the existing center give LSU student-athletes the best opportunity for success by providing access to the latest technology, as well as an array of expanded services.

BO CAMPBELL AUDITORIUM

The 1,000-seat auditorium is used through the year as a classroom and lecture hall. Each seat in the auditorium has space for a laptop and a modem hookup, providing each student unlimited learning opportunities. The auditorium also contains a movie theatre size screen to aid professors with lectures and classroom activities.

COMPUTER STATIONS

Throughout the Academic Center are 75 computer stations, providing student-athletes with a quiet working environment for research, writing and studying.

STUDY AREA

Included in the 54,000 square feet of the Academic Center are individual study areas as well as 14 private computer rooms for student-athletes to work one-on-one with tutors or by themselves.

THE LIBRARY

The library provides a perfect setting for individual study, or with a tutor as group.

The SKIP BERTMAN Legacy

Bertman's unyielding desire to succeed drove him to the pinnacle of his profession, and his astute knowledge of the game -- obtained from over 40 years of coaching -- combined with his steadfast determination and irrepressible enthusiasm transformed LSU Baseball into the nation's premier program.

Already a Louisiana Legend and one of the greatest college baseball coaches of all time, J. Stanley "Skip" Bertman has made the seamless transition into the athletics director's chair with the same enthusiasm, vision and demand for excellence that were trademarks of his stellar coaching career.

In just three years as LSU's director of athletics, Bertman has already added to his impressive list of on-the-field achievements. Under his direction, LSU enjoyed arguably the greatest athletics year in the history of the institution in 2003-04. Three teams won national championships, nine teams finished in the nation's top ten, and fourteen teams ranked in the top 25. LSU teams also enjoyed improved grade point averages across the board, making the LSU student-athlete experience a success on and off the fields of competition.

While supervising the Tigers' progress on the playing fields, he has begun to implement measures necessary to realize his vision of building the LSU athletics department into the best in the country. Bertman's bold and innovative plans promise to keep the Tigers among the nation's elite in all phases of collegiate athletics.

Bertman is now in the midst of upgrading LSU's athletics complex. Working hand in hand with the Tiger Athletic Foundation, Bertman has already overseen the completion of the Cox Communications Academic Center for Student-Athletes while launching renovations to Tiger Stadium and the Pete Maravich Assembly Center, and beginning construction on a new Football Operations Center.

It was also Bertman who took the bold but essential move to implement a seat contribution program in Tiger Stadium to fund facility improvements and ensure the financial stability of the LSU Athletics Department for the next decade.

Bertman was named LSU's athletics director on January 19, 2001. With Bertman, LSU gained an athletics director who provides the leadership and experience necessary to manage the Tigers' \$52 million budget.

Bertman guided LSU to five NCAA baseball titles, and his teams drew huge crowds to venerable Alex Box Stadium, as the Tigers led the nation in attendance in each of his final six seasons (1996-2001).

He also served as head coach of the 1996 U.S. Olympic team which captured the bronze medal in Atlanta.

Bertman continues to be honored for his remarkable coaching tenure, as he was inducted in June, 2002, into the Louisiana Sports Hall of Fame. He was inducted into the American Baseball Coaches Association Hall of Fame in January, 2003.

In a Baseball America poll published in 1999, Bertman was voted the second greatest college baseball coach of the 20th century, trailing only Rod Dedeaux of Southern California. Bertman and Dedeaux are the only coaches to win five CWS titles.

He had previously earned recognition as one of the nation's brightest assistant coaches while at the University of Miami (Fla.) for eight seasons (1976-83). Before working at Miami, Bertman was renowned for his coaching excellence. In 11 seasons at Miami Beach High School, he directed the Hi-Tides to a state championship and two runners-up finishes and he was named Florida's Coach of the Year on three occasions.

In 1975, Bertman coached at Miami-Dade Downtown, leaving after one season to join legendary head coach Ron Fraser at Miami. The move was a homecoming of sorts, as Bertman spent his collegiate playing days with the Hurricanes as an outfielder and catcher from 1958-60. He earned his B.A. in health and physical education from Miami in 1961 and received his master's degree from UM in 1964.

Bertman and his wife Sandy are the parents of four daughters - Jan, Jodi, Lisa and Lori. The Bertman's have three grandchildren - Sophie Faith and Isaac Stanley, the children of Emile and Lori Bertman Guirard, and Samuel Aaron, the son of Drew and Lisa Pate.
