NOTES FROM THE CYCLONES

Tears but a lot of xxxxx pride, too, were evident in the Cyclones locker room.

FROM MAJORS

I know youwre disa pointed but let me tell you taht with as much adversity as you had you have to be proud. Youn wax wated to lookghod and you did. There were many things you did out there tod that I have nevr xxxxx seen a college football team do before.

With the score 19-3 you never lost your coinse. you fought ba You are a real football team and don't ever forget it.

I'll remember the way you hit for as long as I live. You have been great all year.

You seniors have shown great leadership. I am deeply grate to have been associated with all of you.

You did xxx many things well today. That goal line stand was the greatest I have ever seen in my many years of football.

Matt Blair won the outstanding lineman - and no one will ev argue wuth the great game he played.

This had to be one of the xxxxxxx hardest hitting, most ag gmas I have ever seen.

We had seven critical errors, too many of them early and it forced us to play catch up all day and that is might tough again a team like LSU.

LSU has a fine fotball tea, We x knew that before the ga and nothing ha pened to change out minds. Hamiltn is a great receiver. Jones did an outstanding job of running the xxxxx Tigers

Johnnny went to every man to hank him personally for his contribution over the year. Lou McCullough at letic directr, came to the locker room to offer congratulation o both the layers and Majors. : A fine season, men" was his comment

COACH MAC COMMENTS

This was some kind of aggressive football game.

There were an awful lot of mistakes in that first half by both teams and I knew we were in trouble when we couldnt do anything more than get two field goals. However, we came out in the second half, made some adjustments and seem to put it together. We got a li ragged there in that half for a few minutes, but we came back and did a good job.

Jones and Hamilton were just great and so was the rest of the te

Our seniors, all 16 of them, made me extremely proud. You know, that's the winningest group we've had in my 10 years. They've won 27 games in three seasons.

I can't say enough about Johnny Majors and the Iowa State team. They are just tremendous and that quarterbac , tailback and tight end really can make a team move.

On the ISU goal line stand, don't take anything away from our ball club, but give a whale of a lot of credit to IOwa State for doing a superb job on that series.

The Sun Bowl people are fantastic. We've never, never beento a bowl game where the kids had so much fun. Theywent all out for the players and that's what's important.

On Texas A & M I'm complimented that Aggies or any other schoo would be interested in me, but I have not talked to them formally and I've still got a lot of football ahead of me at LSU.

Tiger notes: Hamilton's 165 yards tied his all-time mark for one game, set against Baylor 10/3/70.

The 77 yard pass, Jones to Hamilton, was the longest of the season for LSU.

This brought LSU's overall bowl record to 9-7-2

McClendon is 6-3-0 in bowls and 79-27-4 in 10 years as head co
