## AWARD MESSAGE

I'd like to recognize Luis for the amazing work he has been doing as our Scrum Master and teammate. He keeps our ceremonies organized and productive, leads great retrospectives, and created a daily standup rotation schedule that gives everyone on the team the opportunity to lead discussions, including himself. Whenever it's his turn, he does a great job facilitating the meeting and ensuring everyone has space to speak. He has also been very supportive helping users troubleshoot issues and answering questions in our General Teams support channels. Beyond that, he has been a great partner in the DDS V3 work, always willing to help, unblock discussions, and move things forward. Thank you for all the dedication, partnership, and support you bring to the team!
