

THE ATLANTIC PUZZLER

BY EMILY COX AND HENRY RATHVON

ACROSTIC

Letters of clue answers, when put in the appropriate diagram squares, will spell out a quotation—the first three lines of a four-line song stanza. The initial letters of the clue answers spell out the stanza's concluding line. About a third of the letters in the diagram can be derived from more than one clue. Solvers are encouraged to shade in unused diagram squares. Answers include six proper nouns.
