**Description** 

The Lumencore Short Cylinder Nano Pendant Integral is a highperformance LED downlight that is ideal for intimate commercial, residential or hospitality applications and delivers up to 2000 lumens from a 2.75 in diameter. Available in 9 in, the Lumencore Short Cylinder Nano Pendant Integral comes in a number of finishes, or can be color-specified to your taste. Its accessories, beam angles, trims, and optics can easily be changed in the field.
