Description

The Lumencore Recessed Nano Wallwash is a high-performance LED downlight for wallwash applications. Available in an array of trims and finishes, outputs, color and renderings, these luminaires are here to outperform. The Lumencore Recessed Nano Wallwash possesses a previously unseen lifespan, is quick to install, and can be used with a number of different control options.

Diagnostic And Addressing Tools (Order Separately)

LID - LumenID

The updated LumenID (LID) is an all-in-one diagnostic and addressing solution for both DMX/RDM and Lumentalk (LT) systems. Engineered for versatility, it streamlines commissioning and troubleshooting across protocols—no need for multiple tools. Cable option may vary; please consult factory. For complete details, refer to the LID specification sheet.
