Mini-bowls

A GAME OF MINI-BOWLS AT HOME

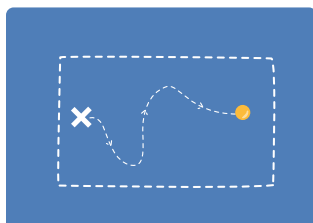

Have fun improvising a game of mini-bowls at home!

Rules of the game

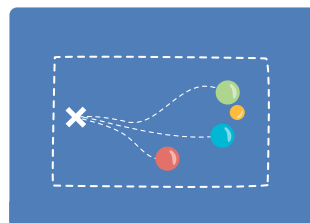

PREPARE YOUR GROUND!

First of all, you need to define a rectangular space on a carpet and add a marker from which you can throw your marbles. You can glue together two pieces of cello tape to form a cross, for instance!

THROW THE JACK!

Then throw the most outstanding marble of your collection (the smallest, the prettiest, the most colourful...) You can call it the jack. Hand out the remaining marbles equally between each player.

LET'S GO FOR THE FIRST ROUND!

In turn, each player throws their marbles from the marker and aims to get the closest as possible to the jack.

Whoever has the most marbles next to the jack wins!
