

CROSSWORDS

This week we have prepared three **crosswords!**
The perfect game to develop concentration and learn new words!

How does it work?

Print out the grids and circle every word you recognise.

- The words to find are on the right side of the grid.
- Every grid equals to a level of difficulty: the **blue** one is for beginners, followed by the **red** one, and finally the **green** is for experts!

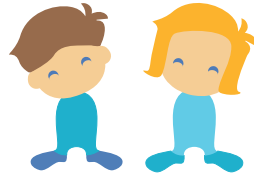

Get ready and let's go!

Answers are on page 5
