CATALOGUE

 Iunii

Les Éditions Lunii, Lunii's publishing house, offers a catalogue of stories which develop auditory memory and enrich children's imagination, culture and vocabulary. Our aim is to provide children with immersive audio journeys, with the help of our dedicated team of authors, translators, sound engineers and sound designers.

We offer a variety of original and partnership content:
Incredible adventures, nursery rhymes, fantastic tales, stories from everyday life, historical stories, fun quizzes, journeys to real and imaginary lands, stories about little girls, little boys and animals, and stories from life...

We believe that children develop through having their senses awakened, through curiosity, and through enjoying access to a variety of content that allows them to enhance their critical faculties.

my fabulous storyteller

Lunii's *Fabulous Storyteller* invites families to enjoy shared emotions. With neither a screen nor wave emissions, the *Storyteller* is an interactive object that gives children access to original and educational content, developing their imagination by involving them in extraordinary adventures.

Lunii Values

Cultivating curiosity

Developing imagination

Widening horizons

Inadvertent learning

Take your stories everywhere

Whether on long journeys by car, train or plane, and thanks to its battery life and storage capacity, *My Fabulous Storyteller* is the ideal object to slip into your travel bag. It is also perfect for quiet times at nap time or bedtime, in the kitchen at tea time or in the living room with the family!

Making beautiful dreams

Making trips more fun

Sharing magic moments

You decide

Each story is an opportunity for the child to choose that story's central elements or how the story unfolds.

Authors

Nadine Brun-Cosme

With 30 years old of specialist experience in children's literature, Nadine writes novels and comic strips as well as theatre plays. The author of *Grand Loup et Petit Loup* ('Big Wolf and Little Wolf'), she writes beautifully poetic stories for Les Éditions Lunii.

Ingrid Chabbert

Ingrid published her first book for young audiences, *La Fête des deux mamans* ('Mother's Day for two Mums') in 2010. By now, she has more than 100 comic book credits to her name. In adapting texts for comic books, such as *En attendant Bojangles* ('Waiting for Bojangles'), she has recently added a new string to her bow.

Vincent Cuvelier

From comic books to documentaries via musical shows, Vincent has published widely. Whether as author of the *Émile* series for Gallimard Jeunesse or, more recently, *Les Jours Pairs* ('Even-numbered days') for Helium, he expresses his love for words with great skill and precision.

Romain Lesiuk

With his limitless imagination, navigating fantastic and amazing universes, Romain has been a Lunii author from the outset, growing and evolving with us as we develop our collaboration.

Christophe Nicolas

Author of the comic book series *Tétine Man* ('Dummy Man'), published by Didier Jeunesse, and the collection of books for new readers *L'apprenti chevalier* ('The Apprentice Knight'), published by Nathan Jeunesse, Christophe is a talented wordsmith. His work is notable for its humour and irony.

Translators

Sam Gordon

A partner of Les Éditions Lunii since our very first forays into the international sphere, Sam Gordon has translated all of our stories into British English. He is, most notably, the translator of Timothée de Fombelle's works, and also translated the novel *Arab Jazz* by Karim Miské (MacLehose Press, 2015).

Maria Hoffmann-Dartevelle

Maria is responsible for adapting Lunii's original stories into German. Throughout her career, she has translated a wide variety of French- and Spanish-language authors.

Voices

Benoît Allemane

As an actor specialising in dubbing, Benoît is Morgan Freeman's voice in French. Little ones will have heard him play Santa many times, as well as Foghorn Leghorn in the Looney Tunes series. His voice is well known to all.

Léa Drucker

As an actress, Léa has won awards at the Globes de Cristal and been nominated for a Molière, and has recently extended her repertoire by lending her voice to audiobooks. After recording Stefan Zweig's *Letter from an Unknown Woman*, she now voices the French version of our *Super-Mummies* stories with great tenderness.

EmmyLou Homs

A committed dubbing artist, EmmyLou Homs has been a part of the Lunii adventure since the very beginning! Since then, she has played many characters in animated films and series and has become the official French voice of Princess Anna, heroine of the Disney mega-hit, *Frozen*.

Fily Keita

Lured by a call to tread the boards, Fily was trained in the theatre. Among her many projects, she regularly lends her voice to youth productions, including the timeless character Martine, not to mention Clover the intrepid secret agent in *Totally Spies!*

Studio

Denis Cadiou – Le Boudoir

Denis has been a Lunii collaborator since the outset, working his magic in his own recording studio. A talented sound engineer, he gives our stories depth and character, providing sonic elements and atmospheres that lead to unique results and an immersive experience.
