CRASSEVIG

**IT** Dallo spirito creativo di Luigi nasce Crassevig a Corno di Rosazzo, in Friuli. E con essa nascono le più raffinate tecniche di curvatura del legno applicate al design d'autore.

**EN** From the creative spirit of Luigi, Crassevig is born in Corno di Rosazzo, in Friuli. The foundation of the company is followed by the birth of the most sophisticated techniques for wood bending and working in design.

**IT** Il segno inconfondibile della curva non manca mai: "Arca" la sedia di Gigi Sabadin, premiata con la selezione d'onore del Compasso D'Oro 1979, è la vivida testimonianza di questo stile.

**EN** The unmistakable curves in the wood are an ever-present feature of the company's quintessential style, as vividly exemplified by Gigi Sabadin's "Arca" chair, which picked up an honourable mention at the 1979 Compasso d'Oro design awards.

1971

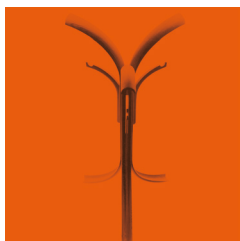

1979

1987

1969

**IT** Il primo designer a firmare la produzione Crassevig è stato Giovanni Offredi: "Johan" è un appendiabiti tuttora in produzione, realizzato in frassino massello curvato. Un simbolo che raduna, come piccoli frammenti di un mosaico, i momenti della storia Crassevig.

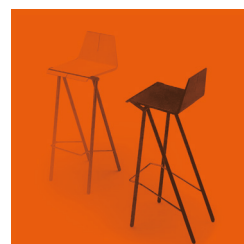

**EN** Giovanni Offredi was the first designer to conceive a product for Crassevig: his "Johan" coat stand made of bent solid ash is still being manufactured today. It is an iconic part, which brings together moments in Crassevig history like little pieces in a mosaic.

2H E HB

**IT** Il tavolo 2H e la sedia HB, di Grafite Design, entrano nella Selezione d'onore del Compasso d'oro.

**EN** Grafite Design's 2H table and HB chair receive a nomination for the Compasso d'Oro award.

# Timeline

**IT** Nel 1994 "Asia", sedia selezionata per il Premio Compasso D'Oro, sintetizza il nuovo orientamento dell'azienda, verso un binomio di rigore e praticità, senza dimenticare semplicità e bellezza.

**EN** In 1994, the "Asia" chair was selected for the Compasso d'Oro design awards. It embodied the new direction taken by the company towards a combination of exactitude and practicality, alongside simplicity and beauty. working in design.

1994

1996

**IT** Il team aziendale, in sinergia con i designer, si confronta continuamente per sviluppare le nuove idee: "Anna" è un esempio di esaltazione della tecnica di curvatura, per una leggerezza inimitabile.

**EN** The team at the company worked in synergy with designers, taking part in constant discussions as they developed new ideas. "Anna" is an example of how the bending techniques were taken to a new level in order to produce inimitable lightness.

**IT** Ton Haas disegna la sedia Nett. Preciso effetto rete ottenuto utilizzando nylon colorato e fibra di vetro.

**EN** Ton Haas designs Nett, a chair characterised by a precise network effect achieved with coloured nylon and fibreglass.

2005

2013

## MIXIS

**IT** Nasce Mixis, seduta dove il multistrato e il massello, materiali diversi per caratteristiche tecniche ed estetiche, si incontrano con giunzioni perfette.

**EN** Mixis chair is born, where plywood and solid wood, materials with different technical and aesthetic qualities, meet in perfect joints.
