

Installation Instructions for Mustang Tank Bib on 1998-2011 Yamaha 650 V-Star Classic and Custom

Installation of tank bib

1. After seat has been removed, remove the three Allen screws from the chrome dash.
2. Lift the chrome dash about an inch, and work the tank bib over the dash until the dash has come fully through the large opening in the tank bib.
3. Align hole in tank bib with the lower screw hole in the tank as shown. Install and tighten all three Allen screws.
4. Clean underside of gas tank and then apply the self-adhesive velcro end of the tank bib to the bottom of the tank as shown.

These steps are guidelines to help you install your new Mustang product. If you need further assistance please call us at 800-243-1392, Monday through Friday 9:00 - 5:30 Eastern or send an e-mail to questions@mustangseats.com or visit our website at www.mustangseats.com.

For care and maintenance of our seats, please go to our website under "Support".
