

K&N Lifetime Air Filter is Designed to Boost Performance for your Honda PCX 125 or PCX 150 Scooter

Honda is pushing the limits of creativity with the stylish PCX 125 and PCX 150. The PCX is a lightweight and surprisingly powerful scooter that encompasses the newest and most advanced Honda design to date. Due to its excellent amenities such as great fuel economy of over 100mpg, elegant appearance, liquid cooling engine, and the world's first ACG (alternating current generator) electric start in a 125-150cc scooter, the Honda PCX was awarded 2013 MSG Scooter of the year. This scooter truly represents Honda's latest Enhanced Smart Power engine technology.
