

PROACTIVE JOURNAL CLUB

6th November 2023, 7pm

IN APPRECIATION OF BRIAN IWATA

We'll be looking at **Iwata et al., (1994)**'s *Towards Functional Analysis of Self Injury*. Originally published in 1982, the significance of this article on the field of Applied Behaviour Analysis was monumental. We will examine the article and its impact in our everyday practice.

Learning Objectives:

- 1) Comprehend functional analysis principles in ABA through Iwata et al.'s 1982 paper.
- 2) Acknowledge the historical and contemporary impact of the article on ABA practices.
- 3) Evaluate the paper's methodology, findings, and limitations, fostering critical thinking.
- 4) Apply insights from the article to enhance practical ABA scenarios.

Target Audience:

For ABA students and practitioners, including BCBA's and BCaBA's, the Journal Club delves into Iwata et al.'s seminal work, enhancing historical awareness, fostering critical thinking and practical analysis

Cost:

Attendance with CEU: \$25, Casual Attendance: \$10

Additional Information:

Calendar invites with Zoom link will be sent to attendees. Learners are encouraged to submit questions throughout and the presenter includes multiple learner-presenter interaction opportunities throughout the live workshop. Attendees seeking CEUs, please submit your BACB Identification number via the [Proactive Contact Form](#)
