Mishmarot 2 - 2026-2027

Shalom, brothers and sisters.

Prophecy Vine (PV), Gospel Worth Dying For (GWDF), and Remnant Rising are pleased to present the **2026–2027 Zadok Priestly Calendar**. This edition begins the year with the priestly course of **Yedaiah**, whose name means “*YHWH has known*.”

The 2026 calendar is designed to be both **practical and instructional**. Alongside YHWH’s **Appointed Times**, it includes the complete **52-week Sabbath cycle**, the **150-day Firstfruits count**—beginning with barley and progressing through wheat, wine, and oil—and concluding with the **tribal schedule for the wood offerings**. Proposed dates for the **new and full moons** are also provided for reference.

New to this edition, we’ve included the **Hebrew name meanings** of the priestly courses and Levitical musicians, as well as **key Scripture references** drawn from multiple books to support personal study and devotional use throughout the year.

Our aim is simple: to provide a **functional calendar that also serves as a study tool**—one that helps believers more intentionally order their time according to **YHWH’s days and ways**, not merely observe dates on a page.

We are grateful for the diligent research and creative work of **Gina Sparks, Sara Davis, Robert and Sarah Villa, and Sherry Sanders**, whose collective efforts made this calendar possible.
