Landing Pages

Featherlight Digital
Gets You Out There Fast

Why a Landing Page?

A landing page is a clean, simple space that helps people understand who you are and how to take the next step.
Whether you're selling something, sharing an event, or growing an email list, it keeps everything in one place and easy to use.
No clutter. No confusion. Just your message, made clear.

It's the easiest way to turn interest into action without the overwhelm of a full website.

Landing Page Options

Style	Performance	Price Range
Starter Page *Best for:* individuals, events, pop-ups, or simple product pages	**1–3 pages** (Home, About, Contact or Product Page). Includes mobile-friendly design, custom colors, photos, and clear buttons for contacting or paying. Perfect for launching quickly with one clean place to send people online.	$250–$450
Growth Site *Best for:* small businesses, creators, and service providers	**4–6 pages** (Home, About, Services/Shop, Gallery/Portfolio, Contact, Email Signup). Organized content that guides visitors, highlights your offerings, captures interest, and builds trust. Great for growing visibility and generating inquiries or sales.	$600–$1,200
Signature Presence *Best for:* brands ready to scale	**6–10+ pages**, email marketing setup, lead capture forms, product organization, and integrations (payments, events, or mailing list tools). Designed for performance and growth — not just looks. Ideal if you want automation, structure, and room to expand.	$1,500–$3,000+

We offer build now and add on later services to meet your budget and timeline.
