COMMUNITY BEFORE POLITICS

A LETTER TO *Columbia County*

DEAR FRIENDS AND NEIGHBORS,

Columbia county is a community that I have seen come together in times of crisis, but sometimes the need is hidden. Working families struggle, adult children move back home, seniors manage rising costs on fixed incomes and affordable housing is difficult to find. This community support manual represents exactly what it means to put Community Before Politics. Neighbors helping neighbors with kindness and compassion when the need is greater than the resources at hand.

Despite the efforts of volunteers, non-profits and other community support organizations, the need continues to grow. This manual also serves as a call to action; reach out to organizations requesting volunteers and offer your support. We need you!

Thank you to the amazing Angela Bakos, founder of RESOURCED Augusta, for verifying and updating the included information. every six months You can find updates on her RESOURCED Augusta Facebook page.

I hope this manual serves as a one stop shop, allowing residents and families to connect with resources that will foster stability, safety and success. A sincere thank you to everyone that contributed to this manual.

With Gratitude,

Cambrey Wood
