Learn to move beyond simply copying a reference. We'll explore how to find the big idea, simplify shapes, plan values, use color, and make conscious choices that support the painting you want to make.

Work in the medium of your choice: oil, acrylic, watercolor, pastel, colored pencil, graphite, or another medium you enjoy.

Bring: your usual art materials, painting surface, sketchbook or drawing paper, a clear reference image, lunch and drinks. Odorless solvents only, please.
