

PRODUCT DATASHEET FOR ELECTRIC TROLLEY

MODEL: DPC-T

Toyolift electric trolley with unique side guide system that drives smoothly. Frequency control of motor speed is available, can match various working situations and environment.

Product Features

- ✦ **Smooth Operation:** Equipped with a unique side guide system for stable and smooth travel.
- ✦ **Variable Speed Control:** Frequency control of Motor speed allows adaptation to different working conditions and environments.
- ✦ **Compliance:** Designed in accordance with BS EN 14492-1 and meets ASME requirements.

STANDARD: BS EN 14492-1 and accordance with ASME requirements.

TECHNICAL PARAMETERS				
Capacity (Ton)	Power (Kw)	Beam width (mm)	Traveling speed (M/Min)	Hoist & Trolley Weight (Kg)
0.5	0.4	50-102	21	30
1	0.4	58-153	21	47
2	0.4	82-178	21	55
3	0.75	100-178	21	66
5	0.75	100-178	21	88
7.5	0.75	100-178	21	105
10	0.75	152-220	21	145
15	0.75 x 2	152-220	21	217
20	0.75 x 2	152-220	21	255
25	0.75 x 2	152-220	21	310

* Power supply - 380V/415V, 3PH, 50/60Hz, 1440RPM
