December 2025

Dear Future Sponsor,

On behalf of Oshkosh Youth Rugby, I would like to invite you and your company to sponsor our upcoming season. Oshkosh Youth Rugby has been developed to provide youth with access to a fun, exciting team atmosphere.

Our Mission is to: "promote the growth of Rugby at all levels of competition for the Oshkosh and Winnebago County community. The corporation's main priorities are developing and promoting sportsmanship, teamwork, honesty, courage, respect for authority, academics, discipline, leadership, and physical fitness for area youth."

We offer several sponsorship levels. Each sponsorship covers our major expenses, including field rental, competition fees, T-shirts, training equipment, insurance, and recruitment. **Our programs are entirely volunteer.** The following pages outline the sponsorship levels we offer, allowing you to choose the option that is right for you. There are numerous options with varying degrees of involvement.

Best of all, your support impacts more than 100 youth annually in the Oshkosh area. We operate three distinct clubs, but interrelated programs.

Piggies / Coed Flag Rugby supports two programs: an intracity league in the spring, in cooperation with the Oshkosh Recreation Department, and an intercity travel club during the Summer. Both programs offer opportunities for youth between grades 1st and 8th. Flag Rugby is a safe, fun, and exciting non-contact Sport.

Sounders / Girls Rugby is contact, tackle rugby available for girls between 6th and 12th grade. The Middle School club plays during the Spring, and the High School club plays during the Spring and Fall. Rugby is an opportunity for girls to participate in a contact sport and explore their strengths and camaraderie.

Razorbacks / Boys Rugby is contact, tackle rugby available for boys between 6th and 12th grade. The Middle School club plays during the Spring, and the High School club plays during the Spring and Summer. The long-term benefits of playing rugby have been proven by Rugby Players worldwide. This is the first step into a worldwide community of Rugby players.

By providing sponsorship, you or your company will gain access to hundreds of thousands of impressions across the local and regional area, along with the impact your sponsorship will have on the area's youth. Please do not hesitate to contact us. Please consider the type of business you operate, as we reserve the right to decline specific sponsorship requests based on our youth audiences.

If you require any further information, please reach out. We welcome any comments or questions regarding your sponsorship details and look forward to forming a mutually beneficial partnership.

We thank you in advance for considering and supporting Oshkosh Youth Rugby.

Sincerely,

Matthew Stenerson
Executive Director
