2. SCHEDULE & PRODUCTION RULES

Studio Policies & Production: Every package is custom-ordered 1 month in advance (archival paper, vellum covers, hand-signed prints). Mid-subscription pauses or manual adjustments outside published rules are not available.

The Production Cut-Off: Before the 1st of the month prior (e.g., before October 1st for November). On the 1st, subscriber counts lock and material quantities are ordered.

Example Cancellation: Want to cancel December? Cancel before November 1st. If you cancel on November 2nd, your December package is already in production and will mail out, after which your subscription officially concludes.

***Studio Note:** Thank you so much for understanding and for supporting my work. Being able to curate these little pieces of art for you each month is such a joy!*

— Warmly, Crystal Beshara
