WELCOME!

Hi I'm Crystal Beshara,
I've been working in watercolor for over 40 years and teaching watercolor workshops all over the world for over 20!

Whatever skill level you're at, this video is meant to be an educational tool. Our subject matter is simply a vehicle for you to learn techniques and build your practice. Please don't worry about the end product. You can always try it again and again or take these honed techniques to your next painting!
