SENIOR PHASE

Grade 7 - Term 4 / Year-end

ASSESSMENT PROGRAMME

9 subjects • 900 total marks **Consolidated full-year assessment**

This resource shows the planned subjects, tasks, assessment formats, marks and submission evidence. It is an overview for parents and tutor centres; individual OPSA activities control the final instructions.

Assessment model

For knowledge-based MCQs, the intended OPSA year coverage is Term 1: 10%, Term 2: 15%, Term 3: 25% and Term 4: 50%. Use the subject programme and CAPS requirements as the final guide; practical and writing skills are assessed separately.

Curriculum term	Intended MCQ share
Term 1	10%
Term 2	15%
Term 3	25%
Term 4	50%

How assessment works

- MCQ: the learner answers online on the OPSA System. Work independently; no adult may select or suggest answers.
- Assignment: the learner writes or draws the work personally and uploads the requested photograph/PDF.
- Practical: the learner performs, reads, speaks, investigates or creates; submit the evidence requested in the activity.
- A parent/tutor supervises fairness, equipment and safety, but may not do the work or supply answers.

Dates, access windows and permitted aids are stated in the specific OPSA activity when it opens. Check the activity instructions first.

What this document does not do

This is a planning resource, not a question paper, memorandum, fixed examination timetable or independent certification of curriculum compliance. Individual assessments remain subject to final academic moderation.
