

Request support when you need it

We help you out, quickly and easily. For starters, there is the kick-off support. Concerning technical or content-related questions, you can get in touch with Business Coaching. And fast requests are dealt with at the help centre.

FREE KICK-OFF SUPPORT

For optimized implementation, every Celero One licensee has access to the following after the test phase:

- 2 h kick-off support
€ 320 worth of service

Following your free trial period, we will get in touch with you to arrange an appointment.

CELERO ONE BUSINESS COACHING

No matter if it is a short question which can be answered on the phone or via remote access. Or whether it is individual training courses for you and your team. We are here for you:

- Application and technology
- Mapping of your processes
- Individual adaptations and changes
- Adaption of interfaces

Support packages can be booked easily and comfortably via your Celero One account.

1 support package = 4 support tickets of 15 minutes each for business coaching.

HELP CENTRE

The Celero One help centre provides quick answers 24/7:
