

An aerial night photograph of an offshore oil platform and two supply ships. The platform is a large, complex structure with numerous decks, pipes, and cranes, illuminated by warm yellow lights. Two supply ships are moored alongside the platform, their decks also lit up. The dark blue water of the sea surrounds the vessels.

The Signal Group

THE SIGNAL GROUP

The Signal Group encompasses commercial ship management activities with a focus on technology.

Within The Signal Group there are three main parts:

```
graph TD; A[THE SIGNAL GROUP] --- B[SIGNAL MARITIME]; A --- C[SIGNAL OCEAN]; A --- D[SIGNAL VENTURES];
```

SIGNALTM
MARITIME

The commercial management arm
with a focus on sustainable,
responsive, high performance service
within Spot Chartering and Pool
Management

*Signal Maritime Services, Signal Maritime Aframax
Pool*

SIGNALTM
OCEAN

The technology arm which
develops solutions to enhance
commercial shipping
performance

SIGNALTM
VENTURES

The strategic investment arm of
Signal Group which focuses on
relevant, complementary services
and technology

*OilX, Signal Maritime Box,
Entrepreneurs-in-Residence*

2021 Tanker Market Update

Spot Market Focus

Semiramis Assimakopoulou, Chartering Officer & VP Sales, The Signal Group

Agenda

→ Freight Market

- ◆ Crude Vs Product

→ Demand

- ◆ Cargo Flows

→ Supply

- ◆ Tonnage point in time
- ◆ Port Congestions
- ◆ Vessel Speeds

The background features several thin, light gray dashed lines that curve across the frame. Small, light gray circular markers are placed at various points along these lines, creating a network-like or orbital pattern.
