IN-PERSON EVENTS

Our event experience is second to none and has been a staple of the industry for over 35 years. We look forward to bringing the community together in a safe, engaging and exciting way.

The locations for our events are held in the most premier venues across the globe. We focus on building a premium environment that enables the best conditions for networking, intelligence gathering and relationship building. We do this to a level that our c-suite and senior management attendees have come to expect and are proud to continue to deliver these events in the future.

VIRTUAL EVENTS

Our virtual events are the best in the industry as we pair best-in-class technology with timely, industry-leading content.

The technology we use is tried and tested to make it easy for the audience to view and engage with our speakers and their discussion. We hold extremely high engagement rate with over 90% of our audience staying to the end to participate in Q&A with the speakers.

The content that we provide for our virtual events is on the pulse of ship finance. Not only is our content up-to-the-minute but it is also delivered by the top ship owners and financiers in the world. Sharing their thoughts, strategies and predictions for the market.

SPONSORSHIP OPPORTUNITIES

Sponsoring our events are an effective way to market your company, raise awareness for your business and capture new business leads by showcasing your brand.

For more information please contact the event organizer of the event you are interested in for a more specific and comprehensive proposal and for discounted, multi-event packages, please contact Lorraine Parsons at LParsons@marinemoney.com

Our Marine Money London 2024 event will be held on Thursday, January 25th 2024 at the JW Marriott Grosvenor House London, Park Lane. London is a home away from home for many global shipping industry executives. Being the first Marine Money event of the year Marine Money London has become a calendar event with many participants from the US, Europe and further afield joining the local crowd of over 300 delegates. London has a global focus on chartering, S&P, insurance and risk, and - more and more shipping investors and alternative finance sources abound. The event is a welcome start to any year and provides a forum for thought and forecast about the 12 months ahead.

Inaugural Marine Money India Ship Finance Forum

February 20, 2024

Trident Hotel, Nariman Point, Mumbai

EVENT ORGANIZERS

Kevin Oates
koates@marinemoney.com

Andrew Oates
aoates@marinemoney.com

India's economy is growing rapidly. Commodity and consumer demand in the years ahead will drive increased shipping activity and trade to the sub-continent. Already a powerhouse in shipmanagement and ship recycling and with government reforms creating a more favourable environment for conducting cross-border business, including the establishment of GIFT City, Indian shipping is well positioned to benefit from the rising tide.

Our Inaugural Marine Money India Ship Finance Forum will bring to Mumbai some of the leading shipping lenders and global ship financing banks, major Indian shipowners and ship operators and shipping finance professionals from around the world to network, build relationships, promote and further enable Indian shipping.

1st Panamá Maritime Finance & Trade Forum

March 6, 2024

Hilton Panamá, Panamá City, Panamá

EVENT ORGANIZERS

Jim Lawrence
jlawrence@mtinetworkusa.com

Lorraine Parsons
lparsons@marinemoney.com

We are excited to announce a new forum, **Marine Money's 1st Panamá Maritime Finance & Trade Forum** to be held on **Wednesday, March 6th, 2024** at the **Hilton Panamá in Panamá City**.

Panama's maritime and world trade presence is storied. So too is their talented community of business and legal professionals. Their ports and maritime infrastructure are undeniably critical. Their Flag and maritime administration renown across the globe. And today as the International Maritime Organization boldly tackles climate issues, a Panamanian will be its next leader.

So it is about time that **Marine Money** goes to Panama where these dynamic attributes are drivers to economic development, and where private industry and public policies focusing on further development of the linkages in transport, trade and port networks are stimulating economic growth and competitive advantage for this important cluster.

What better location and time to bring together the **Marine Money** universe of creative, dynamic and important maritime, finance and professional leaders. Our forum will take place during the same week as Expo Logística Panamá, so will be a busy and productive week to visit.

We hope that you will join us.
