

ABOUT

- Passion Sea advocates the respect, rehabilitation and preservation of our waters with impact on the global community.
- The non-profit Organization supports and shoulders the humanitarian challenge towards restoring the quality of water on our planet through education, art, media, communication, ingenuity combined with technology.

PASSION SEA FLAG

- a new initiative for bringing awareness and change for cleaner oceans.
- By attaching a Passion Sea Flag to your yacht or tender, you commit to love and respect the ocean and have a mindful behavior, especially when it comes to trash and recycling.
- Be part of the global campaign!

Passion Sea Flag Code of Conduct

Love & Respect Our Waters

1. Please avoid littering from aboard or on the shore
2. Please minimize plastic usage, avoid single-use plastic products and recycle properly
3. Please avoid products containing “microbeads” of plastic
(avoid items with “polythelene” & “polypropylene”)
4. Please prefer using environmentally friendly products for cleaning on board
5. Please avoid fishing in marine sanctuaries
6. Please respect marine protected areas
7. Please avoid overfishing & bycatch
8. Please help clean marine debris
9. Please avoid releasing toilet waters in marine sensible areas
10. Please safely discard cigarettes butts
11. Please send love and gratitude to water
12. Please stay informed on current issues & help by spreading awareness
