Healthcare apparel is the second fastest growing sector in promotional products, so why aren't you selling more of it?

With Uniform Stores, it can be simple and profitable.

Unlike other generalist company store platforms, Uniform Stores is designed specifically for healthcare groups to streamline the entire process of managing a uniform program. Uniform Stores handles everything, including embroidery, voucher management, direct shipping, and customer service - removing the logistical burdens for your customers - *and you!*

How does Uniform Stores work?

- 1 You own the customer relationship**
- 2 Set up a uniform store with our guidance & support**
- 3 All transactions run through your bank account**
- 4 Scrub Authority bills you for products, embroidery, and outbound freight, you bill your customer**

Key Benefits of Uniform Stores:
