

You have the customer, we have the solution. **THIS IS HOW IT WORKS**

Uniform Stores is the ENGINE

We understand why you have healthcare customers but *do not* have their scrubs business: *Uniform programs are complex and they're a lot of work for little margin!*

With Uniform Stores it can be simple *and* profitable. Our platform is designed specifically for managing the complexities of uniform programs - including embroidery, voucher management, direct shipping, and customer service. We do all the work, you keep your customer relationship, and you make money.

How does it work?

- 1** You own the customer relationship.
- 2** Set up a uniform store with our guidance & support.
- 3** All transactions run through your bank account.
- 4** Scrub Authority bills you for products, embroidery, and outbound freight, you bill your customer.
- 5** You pay Uniform Stores a 4.9% transaction fee.

How Uniform Stores makes scrubs programs profitable:

- ✓ Scrubs are a recurring, durable product category and healthcare organizations have a stable budget for staff uniforms.
- ✓ Customer service is provided, including returns & exchanges, saving you valuable time and removing stress.
- ✓ We handle shipping and embroidery logistics so you can concentrate on your business instead.
- ✓ You incur no inbound freight costs.
- ✓ No order aggregation required, products are decorated on demand.
- ✓ There is no set up fee for microsites.
